# Question # 14

Top 13 Situational Interview Questions As Academic Support Coordinator:

# Answer:-

Situational interviews As Academic Support Coordinator are similar to behavioral interview questions - but they are focused on the future, and ask hypothetical questions, whereas behavioral interview questions look at the past.

The advantage is that employers can put all candidates in the same hypothetical situations, and compare their answers.

- 1. What would you do if you made a strong recommendation in a meeting, but your colleagues decided against it?
- 2. How you would handle it if your team resisted a new idea or policy you introduced?
- 3. How would you handle it if the priorities for a project you were working on were suddenly changed?
- 4. What would you do if the work of an employee you managed didn't meet expectations?
- 5. What would you do if an important task was not up to standard, but the deadline to complete it had passed?
- 6. What steps would you take to make an important decision on the job As Academic Support Coordinator?
- 7. How would you handle a colleague you were unable to form a positive relationship with?
- 8. What would you do if you disagreed with the way a manager wanted you to handle a problem?
- 9. What would you do if you were assigned to work with a difficult client As Academic Support Coordinator?
- 10. What would you do if you worked hard on a solution to a problem, and your solution was criticized by your team?
- 11. How would you handle working closely with a colleague who was very different from you?
- 12. You're working on a key project that you can't complete, because you're waiting on work from a colleague. What do you do?

13. You realize that an early mistake in a project is going to put you behind deadline. What do you do?

#### Question # 58

What are your salary expectations As Academic Support Coordinator?

#### Answer:-

This question is like a loaded gun, tricky and dangerous if you're not sure what you are doing. It's not uncommon for people to end up talking salary before really selling their skills, but knowledge is power as this is a negotiation after all. Again, this is an area where doing your research will be helpful as you will have an understanding of average salary.

One approach is asking the interviewer about the salary range, but to avoid the question entirely, you can respond that money isn't a key factor and you're goal is to advance in your career. However, if you have a minimum figure in mind and you believe you're able to get it, you may find it worth trying.
