## Question # 3

Tell me about yourself?

### Answer:-

There are some questions that your potential employer aren't allowed to ask (but trust me, they probably want to). For instance, they shouldn't really ask about your family or how far away you live from your potential place of employment. If you can find a way to answer these questions anyway (with the answers they want to hear), that will give them a little added info to help them make the (right) decision!

### Question # 34

Suppose there are three light switches outside a room. Inside is a single light bulb, controlled by one of the three switches. You need to determine which switch operates the bulb. You can turn the switches on and off as many times as you wish (they are all off to begin with), but may only enter the room once. There is no one there to help you. The door to the room is closed, and there are no windows, so you cannot see inside. How can you discover which switch operates the bulb?

#### Answer:-

Do the following steps:

\* 1. Turn ON two switches, and leave one OFF.

\* 2. Wait a few minutes.

\* 3. Turn one switch from ON to OFF. One is now ON and two are OFF

\* 4. Enter the room. - If the light is ON, it is controlled by the switch you left ON. - If the light bulb is OFF, touch it. If it is warm it is controlled by the switch you turned ON and OFF. If it is cold, it is controlled by the switch you never turned on.
