Automatic Data Processing Customer Liaison Job Interview Preparation Guide.

Question # 1

What's the last book you read?

Answer:-

Try to talk about a book related to the industry, for example, if you're applying for a role related to business, cite a business book.

[Read More Answers.](#)

Question # 2

You are not given the tools you need to be successful. How would you change that In Automatic Data Processing Customer Liaison?

Answer:-

State a business case to your manager / leader as to why you need the tools and make the request for them.

[Read More Answers.](#)

Question # 3

Think about the changes you have seen and tell me how you handle change?

Answer:-

You can cite personal life changes, work place changes, career changes, technology change, industry change. The key is to discuss how seeing or experiencing that change has helped your development. For example, the recent changes in social media has broadened my horizons and helped me learn new forms of efficient marketing.

[Read More Answers.](#)

Question # 4

What qualities do you look for in a boss?

Answer:-

Remain optimistic and do not be too specific. Good attributes include moral character, honesty, and intelligence since managers usually believe they possess these qualities.

[Read More Answers.](#)

Question # 5

Are you good at working in a team In Automatic Data Processing Customer Liaison?

Answer:-

Before you answer, consider how you best contribute to a team:

- * Do you get along easily with people?
- * Are you an effective collaborator?
- * Can you communicate with people from various backgrounds and with different personalities?
- * Can you motivate people?
- * Do you know how to push back tactfully?
- * Can you mediate conflicts?
- * Can you deal with difficult personalities?

[Read More Answers.](#)

Question # 6

If you were given more initiatives than you could handle, what would you do?

Answer:-

First prioritize the important activities that impact the business most. Then discuss the issue of having too many initiatives with the boss so that it can be offloaded.

Work harder to get the initiatives done.

[Read More Answers.](#)

Question # 7

Why are you interested in working In Automatic Data Processing Customer Liaison for [insert company name here]?

Answer:-

Bad Answer: They don't have a good reason, or provide a generic answer, "I think it represents a great opportunity."

Good answer: One that shows they've done research on the company, and are truly excited about specific things they can do at the job. This not only shows enthusiasm for the work and basic preparation skills, gives you clues about the cultural fit.

[Read More Answers.](#)

Question # 8

Why do you want to leave your current company In Automatic Data Processing Customer Liaison?

Answer:-

Bad Answer: Complaining about or blaming their former job, boss or colleagues. Also, having no good reason.

Good answer: One that focuses on the positives about why the job they're applying for offers them better learning or career opportunities, chances for advancement, aligns more closely to their long term goals, or is a better fit for them.

[Read More Answers.](#)

Question # 9

How would your references describe you?

Answer:-

Think of three major characteristics that demonstrate your best qualities related to work and then have quick stories to describe why.

[Read More Answers.](#)

Question # 10

Tell me about a time when you successfully handled a situation?

Answer:-

For this question, the interviewer wants to know what you do in a situation that doesn't have a clear answer. This will help the interviewer know how you respond to unforeseen challenges.

[Read More Answers.](#)

Question # 11

Your coworker highlights your mistakes in front of everyone, how do you handle the situation?

Answer:-

Admit to the mistake without being emotional, but then discuss how you are being proactive in getting it fixed. Lastly, pull the co-worker aside later on to tell them that you'd appreciate it if they gave you the feedback 1:1 first before throwing you under the bus.

[Read More Answers.](#)

Question # 12

What's your management style?

Answer:-

The best managers are strong but flexible, and that's exactly what you want to show off in your answer. (Think something like, "While every situation and every team member requires a bit of a different strategy, I tend to approach my employee relationships as a coach...") Then, share a couple of your best managerial moments, like when you grew your team from five to 15 or coached an underperforming employee to become the company's top employee.

[Read More Answers.](#)

Question # 13

What is your greatest fear?

Answer:-

We all have fears. It's okay to discuss them. Just don't dive too deeply into them. Discuss how you would work to overcome your fears. You don't want to seem weak. You want to acknowledge it's out there but that you'll be able to work through it.

[Read More Answers.](#)

Question # 14

What do you know about our company?

Answer:-

You always want to make sure that you're pretty familiar with the company that you're interviewing with. Nothing looks worse than a candidate who knows nothing about the company they say they're interested in working for. Find out everything you can about the company, its culture and its goals. You will also want to know how the company is positioned in its market as well as who its major competitors are.

[Read More Answers.](#)

Question # 15

Explain yourself in one line?

Answer:-

When you respond, keep in mind the type of position you are interviewing for like Automatic Data Processing Customer Liaison based job, the company culture, and the work environment. Your answer should help show the interviewer why you're a match for the job and for the company.

Sample answers are:

- * I'm a people person. I really enjoy meeting and working with a lot of different people.
- * I'm a perfectionist. I pay attention to all the details, and like to be sure that everything is just right.
- * I'm a creative thinker. I like to explore alternative solutions to problems and have an open mind about what will work best.
- * I'm efficient and highly organized. This enables me to be as productive as possible on the job.
- * I enjoy solving problems, troubleshooting issues, and coming up with solutions in a timely manner.

[Read More Answers.](#)

Question # 16

How do you think you might fit this position In Automatic Data Processing Customer Liaison?

Answer:-

An important part of research before the interview is what the company does and how the job role relates to that. This includes the company philosophy and working methods. Questions such as this seek to find out how a candidate will fit into the organisation In Automatic Data Processing Customer Liaison. Answer positively; including practical examples of how you anticipate you would perform in the new role.

[Read More Answers.](#)

Question # 17

Tell me about a decision you made recently and how you reached it In Automatic Data Processing Customer Liaison?

Answer:-

The key is to show that you put a lot of thought (weighing out the pros and cons) but were able to be decisive. Be sure to explain your logic in arriving at the decision.

[Read More Answers.](#)

Question # 18

Tell me why do you want this job In Automatic Data Processing Customer Liaison?

Answer:-

Bad Answer: No solid answer, answers that don't align with what the job actually offers, or uninspired answers that show your position is just another of the many jobs they're applying for.

Good answer: The candidate has clear reasons for wanting the job that show enthusiasm for the work and the position, and knowledge about the company and job.

[Read More Answers.](#)

Question # 19

What motivates you?

Answer:-

I've always been motivated by the challenge - in my last role, I was responsible for training our new recruits and having a 100% success rate in passing scores. I know that this job is very fast-paced and I'm more than up for the challenge. In fact, I thrive on it.

[Read More Answers.](#)

Question # 20

What is your dream job?

Answer:-

There is almost no good answer to this question, so don't be specific. If you tell the interviewer that the job you're applying for with his/her company is the perfect job you may lose credibility if you don't sound believable (which you probably won't if you're not telling the truth.) If you give the interviewer some other job the interviewer may get concerned that you'll get dissatisfied with the position if you're hired. Again, don't be specific. A good response could be, "A job where my work ethic and abilities are recognized and I can make a meaningful difference to the organization."

[Read More Answers.](#)

Question # 21

What are your strengths In Automatic Data Processing Customer Liaison?

Answer:-

This is one of the most common questions you will be asked. Give an answer relevant to the skills and qualities relevant to the position you are applying to. The interviewer is trying to find if your strengths match the job. For example, if you are applying for a job In Automatic Data Processing Customer Liaison where accuracy is an important issue, one of your strengths could be that you have an eye for detail. It may be useful to find different words to describe similar attributes and qualities in order to avoid repetition.

[Read More Answers.](#)

Question # 22

If the company you worked for was doing something unethical or illegal, what would you do?

Answer:-

Report it to the leaders within the company. True leaders understand business ethics are important to the company's longevity

[Read More Answers.](#)

Question # 23

What is the difference between a big ego and a healthy ego?

Answer:-

"Ego" should be replaced by confidence. It's good to be confident as it shows that you know what you're doing. However, a big ego is when confidence spirals out of control and you become arrogant.

[Read More Answers.](#)

Question # 24

What attracted you to this company In Automatic Data Processing Customer Liaison?

Answer:-

You could discuss the company's vision, culture and solutions/services as reasons for wanting to join it.

[Read More Answers.](#)

Question # 25

Do you think you are overqualified for this position In Automatic Data Processing Customer Liaison?

Answer:-

No matter your previous job experience or educational background, be sure to tell the interviewer you have the knowledge and skills to successfully execute the job responsibilities.

[Read More Answers.](#)

Question # 26

What is your greatest strength? How does it help you In Automatic Data Processing Customer Liaison?

Answer:-

One of my greatest strengths, and that I am a diligent worker... I care about the work getting done.. I am always willing to help others in the team.. Being patient helps me not jump to conclusions... Patience helps me stay calm when I have to work under pressure.. Being a diligent worker.. It ensures that the team has the same goals in accomplishing certain things.

[Read More Answers.](#)

Question # 27

What type of mentors do you seek out and why?

Answer:-

Think of your top 3 mentors and what attributes they exhibit that you want to emulate. Common attributes include passion, desire, will, leadership, ability to influence others, intelligence.

[Read More Answers.](#)

Question # 28

Have you ever been fired and if yes, why?

Answer:-

Answer this as positively as possible and try to avoid disparaging the company you had previously worked for. The key is to accept the fact that yes, you were fired, but you've learned from the mistakes that got you there and you're better now because of it. If you haven't been fired, well, then this question's a piece of cake isn't it?

[Read More Answers.](#)

Question # 29

If you were an animal, which one would you want to be?

Answer:-

Seemingly random personality-test type questions like these come up in interviews generally because hiring managers want to see how you can think on your feet. There's no wrong answer here, but you'll immediately gain bonus points if your answer helps you share your strengths or personality or connect with the hiring manager. Pro tip: Come up with a stalling tactic to buy yourself some thinking time, such as saying, "Now, that is a great question. I think I would have to say..."

[Read More Answers.](#)

Question # 30

What are your thoughts on social media for this role?

Answer:-

Without a doubt, social media is becoming more and more pervasive in our jobs. You should stress that social media is not appropriate for personal use at work. However, if the company embraces social media in certain departments (for example marketing), then you may want to discuss how you could use it for work (as long as it applies to your role).

[Read More Answers.](#)

Question # 31

Who was your favorite manager and why?

Answer:-

Describe the attributes you liked about your favorite manager, typically attributes discussed are: Great at coaching, inspiring, motivating, empowering, trusting, delegating, leading, etc.

[Read More Answers.](#)

Question # 32

How well do you multi-task?

Answer:-

Multi-tasking is an important part of most jobs. You want to show that you're good at it but not overwhelmed with it. So discuss just a few things you can multi-task well on - for example: "I'm good at multi tasking between work email and working on projects In Automatic Data Processing Customer Liaison and the reason it because I'm good at prioritizing my work emails.

[Read More Answers.](#)

Question # 33

How articulate are you in expressing your ideas?

Answer:-

One of the best ways to answer this question is clearly articulate three points that demonstrate how articulate you are (and in a sense show that in a live setting) - for example: "I would say I'm articulate because one, I typically gather my thoughts before speaking, two, I organize my thoughts well, and three I'm concise when making a point.

[Read More Answers.](#)

Question # 34

What did you major in and why?

Answer:-

Tell them your major and the motivations behind why you chose it and how it's helped to prep your of this potential job.

[Read More Answers.](#)

Question # 35

Suppose there are three light switches outside a room. Inside is a single light bulb, controlled by one of the three switches. You need to determine which switch operates the bulb. You can turn the switches on and off as many times as you wish (they are all off to begin with), but may only enter the room once. There is no one there to help you. The door to the room is closed, and there are no windows, so you cannot see inside. How can you discover which switch operates the bulb?

Answer:-

Do the following steps:

* 1. Turn ON two switches, and leave one OFF.

* 2. Wait a few minutes.

* 3. Turn one switch from ON to OFF. One is now ON and two are OFF

* 4. Enter the room. - If the light is ON, it is controlled by the switch you left ON. - If the light bulb is OFF, touch it. If it is warm it is controlled by the switch you turned ON and OFF. If it is cold, it is controlled by the switch you never turned on.

[Read More Answers.](#)

Question # 36

Why should we select you not others?

Answer:-

Here you need to give strong reasons to your interviewer to select you not others. Sell yourself to your interviewer in interview in every possible best way. You may say like I think I am really qualified for the position. I am a hard worker and a fast learner, and though I may not have all of the qualifications that you need, I know I can learn the job and do it well."

[Read More Answers.](#)

Question # 37

What can you tell me about team work as part of the job In Automatic Data Processing Customer Liaison?

Answer:-

There is usually a team of staff nurses working in cooperation with each other. A team of nurses has to get along well and coordinate their actions, usually by dividing their responsibilities into sectors or specific activities. They help each other perform tasks requiring more than one person.

[Read More Answers.](#)

Question # 38

How do you feel about technology at the workplace in general?

Answer:-

It's a great enabler for us to collaborate better as a team, for us to reach customers more efficiently and frequently and I believe it can help any company become more efficient, leaner, and more productive.

[Read More Answers.](#)

Question # 39

How would you be an asset to us In Automatic Data Processing Customer Liaison?

Answer:-

Think again about the job specification and the skills needed for this role In Automatic Data Processing Customer Liaison. Have a paragraph prepared highlighting how you will be able to do the job and what you can bring to the team. It goes without saying that this paragraph should be positive.

[Read More Answers.](#)

Question # 40

How would you impact the company?

Answer:-

Consider first the role that you're applying for and then think of 3 ways where you could potentially impact the company's bottom line and top line. Then consider how you impact the company in a creative manner (how do you help productivity, the development of new products, marketing etc - of course this part is specific to the role you're applying for)

[Read More Answers.](#)

Question # 41

How do you take "No" for an answer?

Answer:-

You want to be persistent enough to understand why someone is saying no so that you could potentially convince them otherwise with a sound reason. However, if they are still saying "no" to you, then you need to humbly accept their position and move on.

[Read More Answers.](#)

Question # 42

How meticulous are you with details?

Answer:-

Being detailed is important for many types of job roles. Typically you want to highlight how you've done that in previous roles. Example: "Being meticulous is important to me. In my last job, I had to count the money in the register as a cashier to make sure it matched to the receipts down to the last penny." This was to ensure there wasn't any "wrongdoing" at the company by any of the cashiers and I was always accurate in my reports.

[Read More Answers.](#)

Question # 43

Why should we give you this job In Automatic Data Processing Customer Liaison when someone else is equally qualified?

Answer:-

Describe how you're unique, but make sure you tie it to the job responsibilities and how you would impact the company. For example, "I believe my unique programming skills and experience in developing over 18 best selling iphone apps will help the company develop high quality applications faster than my competitors"

[Read More Answers.](#)

Question # 44

Why are you leaving the present company?

Answer:-

According to me we can not grow in the field without taking more responsibilities and risks and also we can't enhance our team leading capabilities, managerial skills without expose to wide range of people.

[Read More Answers.](#)

Question # 45

How do you prioritize your work initiatives In Automatic Data Processing Customer Liaison?

Answer:-

Discuss how you prioritize your work initiatives based on the company initiatives. For example, if you're in customer service discuss how you're focused on providing the best customer experience.

[Read More Answers.](#)

Question # 46

How do you deal with pressure or stressful situations?

Answer:-

Choose an answer that shows that you can meet a stressful situation head-on in a productive, positive manner and let nothing stop you from accomplishing your goals. A great approach is to talk through your go-to stress-reduction tactics (making the world's greatest to-do list, stopping to take 10 deep breaths), and then share an example of a stressful situation you navigated with ease.

[Read More Answers.](#)

Question # 47

Do you like being around people?

Answer:-

People skills are a necessity for medical assistants. When answering this question, be sure to show that you enjoy interacting and working with others and that you also derive great enjoyment from helping others. This will show that you are a team player and that you would be a valuable team member In Automatic Data Processing Customer Liaison.

[Read More Answers.](#)

Question # 48

What other companies are you interviewing at?

Answer:-

Be open and share if you are indeed interviewing elsewhere, but do it in a humble way. This way you don't seem arrogant and the interviewer knows your skills are valued by other companies. This also tends to make them want you more as they know they are competing for your services.

[Read More Answers.](#)

Question # 49

How will you approach learning this "new" job In Automatic Data Processing Customer Liaison?

Answer:-

Interview peers and leaders/managers, read industry news, practice the skill sets needed, absorb information on the job as much as possible.

[Read More Answers.](#)

Question # 50

What makes a product successful?

Answer:-

Basing on the monetization, these questions give you the chance to prove your personal try. Do not show extremely your optimism and pursue the unreality. Give your answers the reality.

It is useful to predict a five to ten- year- scenario of expectations in order to gain your targets that you set up and it is the period of time to see how your plans and targets are performed.

Therefore, the quality of the product and marketability of the mentioned industry need to be highlighted. This will help you to achieve the interviewer's attention and insurance to you personality and you can get the honest and long- term goals.

[Read More Answers.](#)

Question # 51

What do you know about this department?

Answer:-

One good way to find out about the department is to try to "informally" interview the existing employees over coffee (outside of the office) if possible. It's hard if you don't have any connections there, but if you do a great way to learn about it. Other than that, it's often hard to learn about the department so you can turn the table back on them by asking questions to learn about it.

[Read More Answers.](#)

Question # 52

How would you motivate your team members to produce the best possible results?

Answer:-

Trying to create competitive atmosphere, trying to motivate the team as a whole, organizing team building activities, building good relationships amongst people.

[Read More Answers.](#)

Question # 53

What was the most important task you ever had?

Answer:-

There are two common answers to this question that do little to impress recruiters:

* 'I got a 2.1'

* 'I passed my driving test'

No matter how proud you are of these achievements, they don't say anything exciting about you. When you're going for a graduate job, having a degree is hardly going to make you stand out from the crowd and neither is having a driving licence, which is a requirement of many jobs.

[Read More Answers.](#)

Question # 54

What is your desired salary In Automatic Data Processing Customer Liaison?

Answer:-

Bad Answer: Candidates who are unable to answer the question, or give an answer that is far above market. Shows that they have not done research on the market rate, or have unreasonable expectations.

Good answer: A number or range that falls within the market rate and matches their level of mastery of skills required to do the job.

[Read More Answers.](#)

Question # 55

What features of your previous jobs have you disliked?

Answer:-

It's easy to talk about what you liked about your job in an interview, but you need to be careful when responding to questions about the downsides of your last position. When you're asked at a job interview about what you didn't like about your previous job, try not to be too negative. You don't want the interviewer to think that you'll speak negatively about this job or the company should you eventually decide to move on after they have hired you.

[Read More Answers.](#)

Question # 56

What does "thinking outside the box" mean to you?

Answer:-

It means not doing things exactly the same way as everyone else. You've got to challenge the status quo and bring something new to the business.

[Read More Answers.](#)

Question # 57

Do you think a leader should be feared or liked?

Answer:-

Liked. You want to work harder for people that inspire and motivate you. Fear only lasts for so long.

[Read More Answers.](#)

Question # 58

What kind of salary do you need In Automatic Data Processing Customer Liaison?

Answer:-

This is a loaded question and a nasty little game that you will probably lose if you answer first. So, do not answer it. Instead, say something like, that's a tough question. Can you tell me the range for this position? In most cases, the interviewer, taken off guard, will tell you. If not, say that it can depend on the details of the job. Then give a wide range.

[Read More Answers.](#)

Question # 59

What would your first 30, 60, or 90 days look like in this role In Automatic Data Processing Customer Liaison?

Answer:-

Start by explaining what you'd need to do to get ramped up. What information would you need? What parts of the company would you need to familiarize yourself with? What other employees would you want to sit down with? Next, choose a couple of areas where you think you can make meaningful contributions right away. (e.g., "I think a great starter project would be diving into your email marketing campaigns and setting up a tracking system for them.") Sure, if you get the job, you (or your new employer) might decide there's a better starting place, but having an answer prepared will show the interviewer where you can add immediate impact-and that you're excited to get started.

[Read More Answers.](#)

Question # 60

What are your salary expectations In Automatic Data Processing Customer Liaison?

Answer:-

This question is like a loaded gun, tricky and dangerous if you're not sure what you are doing. It's not uncommon for people to end up talking salary before really selling their skills, but knowledge is power as this is a negotiation after all. Again, this is an area where doing your research will be helpful as you will have an understanding of average salary.

One approach is asking the interviewer about the salary range, but to avoid the question entirely, you can respond that money isn't a key factor and you're goal is to advance in your career. However, if you have a minimum figure in mind and you believe you're able to get it, you may find it worth trying.

[Read More Answers.](#)

Question # 61

How good are you at problem solving?

Answer:-

Describe the problem first and then discuss how you were able to fix it.

[Read More Answers.](#)

Question # 62

How do you act when you encounter competition?

Answer:-

This question is designed to see if you can rise the occasion. You want to discuss how you are the type to battle competition strongly and then you need to cite an example if possible of your past work experience where you were able to do so.

[Read More Answers.](#)

Question # 63

How do you evaluate your ability to handle conflict?

Answer:-

I pride myself on being a good problem solver. Through my previous job and management positions I have faced numerous conflicts in different situations, and my experiences have helped me to hone my issue resolution skills. I believe that it is important to get to and address the root of the issue, in a respectable manner.

[Read More Answers.](#)

Question # 64

Give an example of a time you successfully worked In Automatic Data Processing Customer Liaison on a team?

Answer:-

On the whole I prefer to stick to doing what I'm told rather than setting myself up to fail by doing things off my own bat. But there was this one time when I suggested to my boss at the pizza parlor that she try offering an 'all you can eat' deal to students to boost trade on Mondays. She thought it was an interesting idea but nothing ever came of it.

[Read More Answers.](#)

Question # 65

Why do you want to work In Automatic Data Processing Customer Liaison for this organisation?

Answer:-

Being unfamiliar with the organisation will spoil your chances with 75% of interviewers, according to one survey, so take this chance to show you have done your preparation and know the company inside and out. You will now have the chance to demonstrate that you've done your research, so reply mentioning all the positive things you have found out about the organisation and its sector etc. This means you'll have an enjoyable work environment and stability of employment etc - everything that brings out the best in you.

[Read More Answers.](#)

Question # 66

What general trends do you see in our industry?

Answer:-

Examine what's happened in the industry in the last 5 - 10 years and how it's evolved and then look at what both the company and analysts are saying about the future of that industry in which that company competes in. Read trade magazines / online sources in that industry as well to make sure you stay up to date on trends.

[Read More Answers.](#)

Question # 67

What is your greatest weakness In Automatic Data Processing Customer Liaison? What are you doing to improve it?

Answer:-

I believe my biggest weakness In Automatic Data Processing Customer Liaison is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[Read More Answers.](#)

Question # 68

Have you got any questions?

Answer:-

This is your final opportunity to persuade the interviewer that you are the right candidate for the job. Now is not the time to ask questions about holidays, pay or pensions - all these things can be asked later when you get an offer of employment. Now is the time to ask about any reservations that the interviewer may have about your suitability for the role. You will then give yourself one last chance to persuade the interviewer that you are the right candidate for the job.

Example Thank you. I think we have covered everything. Before we finish the interview I would like to take the opportunity to ask if you have any reservations about my suitability for this role?

[Read More Answers.](#)

Question # 69

Do you have any question regarding this job In Automatic Data Processing Customer Liaison?

Answer:-

Never ask Salary, perks, leave, place of posting, etc. regarded questions. Try to ask more about the company to show how early you can make a contribution to your organization like. "Sir, with your kind permission I would like to know more about induction and developmental programs?" OR Sir, I would like to have my feedback, so that I can analyze and improve my strengths and rectify my shortcomings.

[Read More Answers.](#)

Question # 70

What's your salary history?

Answer:-

When you are interviewing for a new job, it is common practice for the company to ask you about your salary history. I typically want to know what the candidate's base salary is, if they receive any bonus, the average bonus amount, and any additional compensation or perks, such as 500k matching, stock grants or stock options, paid time off and how much they are required to pay towards their medical premiums.

[Read More Answers.](#)

Question # 71

Why are you leaving your current job?

Answer:-

This is a toughie, but one you can be sure you'll be asked. Definitely keep things positive-you have nothing to gain by being negative about your past employers. Instead, frame things in a way that shows that you're eager to take on new opportunities and that the role you're interviewing for is a better fit for you than your current or last position. For example, "I'd really love to be part of product development from beginning to end, and I know I'd have that opportunity here." And if you were let go? Keep it simple: "Unfortunately, I was let go," is a totally OK answer.

[Read More Answers.](#)

Question # 72

Why should the we hire you as this position In Automatic Data Processing Customer Liaison?

Answer:-

This is the part where you link your skills, experience, education and your personality to the job itself. This is why you need to be utterly familiar with the job description as well as the company culture. Remember though, it's best to back them up with actual examples of say, how you are a good team player.

[Read More Answers.](#)

Question # 73

Describe to me the position In Automatic Data Processing Customer Liaison you're applying for?

Answer:-

This is a "homework" question, too, but it also gives some clues as to the perspective the person brings to the table. The best preparation you can do is to read the job description and repeat it to yourself in your own words so that you can do this smoothly at the interview.

[Read More Answers.](#)

Question # 74

How do you keep each member of the team involved and motivated?

Answer:-

Many managers mistakenly think that money is the prime motivator for their employees. However, according to surveys by several different companies, money is consistently ranked five or lower by most employees. So if money is not the best way to motivate your team, what is?

Employees' three most important issues according to employees are:

- * Respect
- * A sense of accomplishment
- * Recognition

[Read More Answers.](#)

Question # 75

Give me an example of when you competed hard and won?

Answer:-

You can reference many different areas here when discussing a story of where you won in competition: Work experience (ideal), sports, clubs, classes, projects.
