Question # 16

Tell me Is there any minimum work experience required for B1 visa for USA?

Answer:-

I attended the interview at chennai on 1 Aug 2011 for a B1 visa. I have only one year experience and i got my VISA approved. So its not the experience or the job that matters. I think it is your presentation and the confidence with which you face the Visa officer at the interview. Remember, the Visa officer, is asking you all the questions with constant doubt, if you will return to india, at the end of your assignment. I would suggest you pick up the list of questions asked to the different categories of interviewees and practice answering them loud and clear, before you go for the interview next time. Best of luck next time.
