Question # 9

Tell me what about the other side of the coin?

Answer:-

Depends on the job you are seeking. Which field or job are you interested in?

You question is as vague as asking someone what they would like to eat? Obviously, your next questions may be "how hungry are you or for lunch/dinner/snack?"

Similarly, which job or industry are you interested in? If your answer is in whichever I can earn more money, then no one can answer that question for you. Not all SAP consultants earn the big bucks. Not all managers make big bugs.
