# Certified Medical Technician (CMT) Job Interview Preparation Guide.

### Question # 1

Explain me what do you know about our company?

#### Answer:-

Bad Answer: They don't know much about the company. If a candidate is serious and enthusiastic, they should have done some basic research.

Good answer: An answer that shows they've really done their homework and know what the company does, any important current events that involve the company, and the work culture.

### Question # 2

Tell me about yourself?

#### Answer:-

There are some questions that your potential employer aren't allowed to ask (but trust me, they probably want to). For instance, they shouldn't really ask about your family or how far away you live from your potential place of employment. If you can find a way to answer these questions anyway (with the answers they want to hear), that will give them a little added info to help them make the (right) decision!
