Challenging Experience Job Interview Preparation Guide.

Question # 1

How to answers the question about challenging experience?

Answer:-

They do not want to hear about your personal challenges and what you went through to overcome it. What they want to hear is a challenge in your professional/academic life that you overcame that can be beneficial to their company.

Question # 6

Can you please explain the difference between challenging experience and difficult Situation?

Answer:-

The difference between a question about a challenging experience and the previous question, regarding a difficult situation, is not semantic. While a difficult situation refers to specific work related events or issues, the so called 'challenging work experience' often, but not always, relates to a job experience over an extended period.
