[Read More Answers.](#)

Question # 29

If you could offer suggestions on how to improve our company, what would you say?

Answer:-

Examine the trends of the company and also where there may be some weaknesses (news articles often document this on public companies or look at their competitors to see how they're positioning it against them.) Then, once you have that knowledge, think creatively on how you could improve upon that weakness for them.

[Read More Answers.](#)

Question # 30

What is the most important quality a supervisor should have?

Answer:-

The ability to inspire / lead a team towards one common vision.

[Read More Answers.](#)

Question # 31

Explain a time when you did not get along with your coworker?

Answer:-

I used to lock heads with a fellows. We disagreed over a lot of things - from the care of civilians to who got what shifts to how to speak with a victim's family. Our personalities just didn't mesh. After three months of arguing, I pulled her aside and asked her to lunch. At lunch, we talked about our differences and why we weren't getting along. It turns out, it was all about communication. We communicated differently and once we knew that, we began to work well together. I really believe that talking a problem through with someone can help solve any issue.

[Read More Answers.](#)

Question # 32

Describe your vision of your perfect dream job?

Answer:-

Ideally, the role you're applying for either is that dream job or will help you get to it. If it's going to help you get there, describe the elements of that job role that you are passionate about so that it ties to the vision of what your dream job is. Be honest and talk about the type of work environment, management team / leadership, coworkers, culture, vision and products/services you'd like your dream job to entail.

[Read More Answers.](#)

Question # 33

How would you feel about working for someone who knows less than you In Coupa Software Inc?

Answer:-

The reality is, the majority of the time someone is in a management/leadership position is because of their experience and past success. So they probably possess at

least a unique set of knowledge from you. So you'll want to learn from them as much as possible. If it's not the case, then discuss how you would look for mentors in different departments to help your personal career development.

[Read More Answers.](#)

Question # 34

Do you value recognition or pay more? Why?

Answer:-

Either preference is fine, but just remember you have to be able to explain why. If you say recognition, then back that up by describing how achievement really carries weight with you and how you like to feel valued in the work that you do because it validates that you're helping your teammates / customers and so forth. If you choose money, you can also explain that is important to you as validation and you can highlight how money is important to you because of your goals (financial security, providing for your family, and so forth). The key is to be authentic with your answer. However, if you say you value pay more because you're greedy - know that doesn't align usually to most company's values/vision.

[Read More Answers.](#)

Question # 35

What are you most proud of?

Answer:-

You should be proud of all your achievements In Coupa Software Inc! We just don't have time to hear them all as interviewers most likely. Focus on 1 really good achievement that showcases characteristics like the following: Integrity, competitiveness, resourcefulness, intelligence, persistence, and so forth.

[Read More Answers.](#)

Question # 36

How would you be an asset to us In Coupa Software Inc?

Answer:-

Think again about the job specification and the skills needed for this role In Coupa Software Inc. Have a paragraph prepared highlighting how you will be able to do the job and what you can bring to the team. It goes without saying that this paragraph should be positive.

[Read More Answers.](#)

Question # 37

How open are you to relocation?

Answer:-

If you're not, then say you're not. Don't lie about it just to get the job. There's no point if you won't move for the job anyway and lying is unethical. If you are open to relocation In Coupa Software Inc, let them know which areas you'd be willing to relocate to.

[Read More Answers.](#)

Question # 38

What other jobs are you applying for In Coupa Software Inc?

Answer:-

If you're applying with other similar companies in a similar or the same industry, it's actually okay to state that as it shows you're valued and wanted.

[Read More Answers.](#)

Question # 39

Do you have the ability to articulate a vision and to get others involved to carry it out?

Answer:-

If yes, then share an example of how you've done so at work or college. If not, then discuss how you would do so. Example: "I would first understand the goals of the staff members and then I would align those to the goals of the project / company. Then I would articulate the vision of that alignment and ask them to participate. From there, we would delegate tasks among the team and then follow up on a date and time to ensure follow through on the tasks. Lastly, we would review the results together."

Question # 40

What role do you see technology playing in this role?

Answer:-

Technology is important to almost every job today but it's not meant to be abused. I believe it's important to increase productivity and not for personal use.

[Read More Answers.](#)

Question # 41

Why do you feel you will excel at this job?

Answer:-

This question presents an excellent opportunity for you to discuss your education, qualifications and personal traits. You might say something like "I studied property management as well as behavior during my college years and I have two years' experience in real estate. I can gauge the homes or apartments in which clients will be interested based solely upon the needs of their families. Finally, my organizational skills will allow me to schedule appointments or showings confidently and arrive for them punctually." This shows your interviewer that you have all of the skills necessary to become successful not only for yourself, but also for your employer.

[Read More Answers.](#)

Question # 42

What differentiates this company from other competitors?

Answer:-

Be positive and nice about their competitors but also discuss how they are better than them and why they are the best choice for the customer. For example: "Company XYZ has a good product, but I truly believe your company has a 3-5 year vision for your customer that aligns to their business needs."

[Read More Answers.](#)

Question # 43

How well do you multi-task?

Answer:-

Multi-tasking is an important part of most jobs. You want to show that you're good at it but not overwhelmed with it. So discuss just a few things you can multi-task well on - for example: "I'm good at multi tasking between work email and working on projects In Coupa Software Inc and the reason it because I'm good at prioritizing my work emails."

[Read More Answers.](#)

Question # 44

What do you aspire to be?

Answer:-

Discuss your aspirations for the near, immediate and long term. You want to show them you are thinking of making an impact now as well as the future.

[Read More Answers.](#)

Question # 45

How many tennis balls can you fit into a limousine? 1,000? 10,000? 100,000? Seriously?

Answer:-

Well, seriously, you might get asked brainteaser questions like these, especially in quantitative jobs. But remember that the interviewer doesn't necessarily want an exact number-he wants to make sure that you understand what's being asked of you, and that you can set into motion a systematic and logical way to respond. So, just take a deep breath, and start thinking through the math. (Yes, it's OK to ask for a pen and paper!)

[Read More Answers.](#)

Question # 46

How important is the vision of the company to you?

Answer:-

It should be very important if you want a long standing career. Remember, you're investing your time, energy and earnings potential into a company so you want to make sure it's a sustainably successful company that will grow with you over the long haul.

[Read More Answers.](#)

Question # 47

How do you act when you encounter competition?

Answer:-

This question is designed to see if you can rise the occasion. You want to discuss how you are the type to battle competition strongly and then you need to cite an example if possible of your past work experience where you were able to do so.

[Read More Answers.](#)

Question # 48

Do you have any questions for me?

Answer:-

Good interview questions to ask interviewers at the end of the job interview include questions on the company growth or expansion, questions on personal development and training and questions on company values, staff retention and company achievements.

[Read More Answers.](#)

Question # 49

What do you think is your greatest weakness?

Answer:-

Don't say anything that could eliminate you from consideration for the job. For instance, "I'm slow in adapting to change" is not a wise answer, since change is par for the course in most work environments. Avoid calling attention to any weakness that's one of the critical qualities the hiring manager is looking for. And don't try the old "I'm a workaholic," or "I'm a perfectionist."

[Read More Answers.](#)

Question # 50

What are three positive things your last boss would say about you?

**Answer:-**

It's time to pull out your old performance appraisals and boss's quotes. This is a great way to brag about yourself through someone else's words: "My boss has told me that I am the best designer he has ever had. He knows he can rely on me, and he likes my sense of humor."

[Read More Answers.](#)

Question # 51

Tell me about the last time you had to work with someone inside or outside of your department to accomplish a goal?

Answer:-

Show that you were communicative with that person and that you were able to collaborate effectively in sharing ideas and work tasks. They want to see that you can be a team player.

[Read More Answers.](#)

Question # 52

Does your boss know you're here today?

Answer:-

Usually, you probably haven't told your boss for obvious reasons. So it's ok to say that they do not. You don't want to upset the balance at your current job after all and nothing is guaranteed in an interview. The interviewer should understand this stance.

[Read More Answers.](#)

Question # 53

What does "thinking outside the box" mean to you?

Answer:-

It means not doing things exactly the same way as everyone else. You've got to challenge the status quo and bring something new to the business.

[Read More Answers.](#)

Question # 54

Give me an example of when you competed hard and won?

Answer:-

You can reference many different areas here when discussing a story of where you won in competition: Work experience (ideal), sports, clubs, classes, projects.

[Read More Answers.](#)

Question # 55

Why should we hire you as this position In Coupa Software Inc?

Answer:-

This is the part where you link your skills, experience, education and your personality to the job itself. This is why you need to be utterly familiar with the job description as well as the company culture. Remember though, it's best to back them up with actual examples of say, how you are a good team player.

[Read More Answers.](#)

Question # 56

There's no right or wrong answer, but if you could be anywhere in the world right now, where would you be?

Answer:-

Just be honest about where you'd like to be - you never know - you may end up bonding with the interviewer with the location. However, you want to stress that you want to work out of the location that you're interviewing for.

[Read More Answers.](#)

Question # 57

Explain an idea that you have had and have then implemented in practice?

Answer:-

Often an interview guide will outline the so-called 'STAR' approach for answering such questions; Structure the answer as a situation, task, action, and result: what the context was, what you needed to achieve, what you did, and what the outcome was as a result of your actions.

[Read More Answers.](#)

Question # 58

Explain me about a time when you reached a goal within a tight deadline?

Answer:-

I work well under pressure to meet deadlines without jeopardizing the quality of my work. I have always worked in a fast pace environment where we are constantly under pressure to achieve best results within a time frame.

[Read More Answers.](#)

Question # 59

Where do you see yourself professionally five years from now In Coupa Software Inc?

Answer:-

Demonstrate both loyalty and ambition in the answer to this question. After sharing your personal ambition, it may be a good time to ask the interviewer if your ambitions match those of the company.

[Read More Answers.](#)

Question # 60

What aspect of supervision do you find the most difficult?

Answer:-

Managing different personalities and keeping them focused on the goal at hand.

[Read More Answers.](#)

Question # 61

What general trends do you see in our industry?

Answer:-

Examine what's happened in the industry in the last 5 - 10 years and how it's evolved and then look at what both the company and analysts are saying about the future of that industry in which that company competes in. Read trade magazines / online sources in that industry as well to make sure you stay up to date on trends.

[Read More Answers.](#)

Question # 62

How do you keep each member of the team involved and motivated?

Answer:-

Many managers mistakenly think that money is the prime motivator for their employees. However, according to surveys by several different companies, money is consistently ranked five or lower by most employees. So if money is not the best way to motivate your team, what is?

Employees' three most important issues according to employees are:

- * Respect
- * A sense of accomplishment
- * Recognition

Question # 63

What do you expect to be earning in 5 years In Coupa Software Inc?

Answer:-

Discuss how you expect yourself to be excellent at your job. Thus, it would be reasonable to expect pay that is based on the merit of your work.

[Read More Answers.](#)

Question # 64

What was the most important task you ever had?

Answer:-

There are two common answers to this question that do little to impress recruiters:

- * 'I got a 2.1'
- * 'I passed my driving test'

No matter how proud you are of these achievements, they don't say anything exciting about you. When you're going for a graduate job, having a degree is hardly going to make you stand out from the crowd and neither is having a driving licence, which is a requirement of many jobs.

[Read More Answers.](#)

Question # 65

What would your first 30, 60, or 90 days look like in this role In Coupa Software Inc?

Answer:-

Start by explaining what you'd need to do to get ramped up. What information would you need? What parts of the company would you need to familiarize yourself with? What other employees would you want to sit down with? Next, choose a couple of areas where you think you can make meaningful contributions right away. (e.g., "I think a great starter project would be diving into your email marketing campaigns and setting up a tracking system for them.") Sure, if you get the job, you (or your new employer) might decide there's a better starting place, but having an answer prepared will show the interviewer where you can add immediate impact-and that you're excited to get started.

[Read More Answers.](#)

Question # 66

How long will it take for you to make a significant contribution?

Answer:-

First define significant contribution - once you do that - lay out a timeline plan in which you think you can achieve that.

[Read More Answers.](#)

Question # 67

What's your salary history?

Answer:-

When you are interviewing for a new job, it is common practice for the company to ask you about your salary history. I typically want to know what the candidate's

base salary is, if they receive any bonus, the average bonus amount, and any additional compensation or perks, such as 500k matching, stock grants or stock options, paid time off and how much they are required to pay towards their medical premiums.

[Read More Answers.](#)

Question # 68

Tell me the difference between good and exceptional?

Answer:-

Good gets the job done on time and is high quality. Exceptional is a game changer - it stands out, it's creative, it's above and beyond expectations. Tell the interviewer a story about how you were exceptional.

[Read More Answers.](#)

Question # 69

What is your greatest weakness In Coupa Software Inc? What are you doing to improve it?

Answer:-

I believe my biggest weakness In Coupa Software Inc is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[Read More Answers.](#)

Question # 70

What do you think we could do better or differently?

Answer:-

This is a common one at startups. Hiring managers want to know that you not only have some background on the company, but that you're able to think critically about it and come to the table with new ideas. So, come with new ideas! What new features would you love to see? How could the company increase conversions? How could customer service be improved? You don't need to have the company's four-year strategy figured out, but do share your thoughts, and more importantly, show how your interests and expertise would lend themselves to the job.
