Electric Meter Technician Job Interview Preparation Guide.

Question # 1

Explain what are your weaknesses As Electric Meter Technician?

Answer:-

Red flags: This is the peanut butter to the previous question's jelly. Again, everyone should expect it, so it's a bad sign if someone seems totally unprepared, or gives a stock answer like, "I'm a perfectionist." Also, of course, candidates crazy enough to blurt out some horrible personality trait should go in the red flagged pile.

Good answer: Candidates should talk about a real weakness they've been working on improving. For instance, they're not good at public speaking, but they've been taking a course to help them improve. Or maybe they feel that they're easily distracted when working online, but have installed software that helps them stay on task. Answers like these show a desire for improvement, self awareness and discipline.

[Read More Answers.](#)

Question # 2

Tell me about the most fun you have had on the job?

Answer:-

When answering this question, discuss situations where you completed tasks benefitting your previous employers.

[Read More Answers.](#)

Question # 3

How do you measure success?

Answer:-

There may be several good answers. Some include: you're able to set realistic, yet aggressive goals that push you and you're able to achieve them, you go the extra mile on all projects, client satisfaction is high, your boss is elated at your performance on all projects, etc.

[Read More Answers.](#)

Question # 4

Who has been an inspiration for you?

Answer:-

Cite your role models (possible examples could be your parents, people successful in the industry, world leaders, etc)

[Read More Answers.](#)

Question # 5

Describe your management style?

Answer:-

Try to avoid specific classifications, whatever it may be. Organizations usually prefer managers who can adapt their skills to different situations.

[Read More Answers.](#)

Question # 6

What have you done to improve your skills over the past year As Electric Meter Technician?

Answer:-

You'll want to be prepare with some very specific examples of what you've done over the last year and what you're currently doing to improve your professional knowledge and skill set as well as anything else you're doing the shows self improvement.

[Read More Answers.](#)

Question # 7

What three character traits would your friends use to describe you?

Answer:-

[Electric Meter Technician Interview Questions And Answers](#)

Friends would typically use attributes like (assuming you have these): Trustworthy, honest, hardworking, friendly, courageous, nice, diligent, organized and so forth. Not saying you have all of these, but the best way for you to find out is to survey your friends by asking them what they consider your brand to be.

[Read More Answers.](#)

Question # 8

What is the difference between a big ego and a healthy ego?

Answer:-

"Ego" should be replaced by confidence. It's good to be confident as it shows that you know what you're doing. However, a big ego is when confidence spirals out of control and you become arrogant.

[Read More Answers.](#)

Question # 9

Why do you want to work for this company?

Answer:-

Again be honest. The interviewer will be able to sense very quickly if you're being disingenuous. Your answer should be based on your personal reasons, career aspirations as well as research you've performed on the company. The most important thing you should do is make sure to relate your answer to your long-term career goals.

[Read More Answers.](#)

Question # 10

What did you dislike about your old job?

Answer:-

Try to avoid any pin point, like never say "I did not like my manager or I did not like environment or I did not like team" Never use negative terminology. Try to keep focus on every thing was good As Electric Meter Technician, I just wanted to make change for proper growth.

[Read More Answers.](#)

Question # 11

Why do you think you'll do well at this job?

Answer:-

Provide several reasons including skills, experience and interest. If you can show how you've been successful in a similar career field or job position that will go along way to helping the interviewer believe you'll also be successful at this new job.

[Read More Answers.](#)

Question # 12

Do you think you are overqualified for this position As Electric Meter Technician?

Answer:-

No matter your previous job experience or educational background, be sure to tell the interviewer you have the knowledge and skills to successfully execute the job responsibilities.

[Read More Answers.](#)

Question # 13

How did you handle meeting a tight deadline As Electric Meter Technician?

Answer:-

Review every deadline you need to meet. Prioritize your projects by deadline and factor in how important each project is. Record your deadlines on a digital calendar or spreadsheet.

[Read More Answers.](#)

How do you stay organized?

Answer:-

By maintaining proper routine every day. Putting my strongest points with my weakness. High priority always comes first As Electric Meter Technician.

[Read More Answers.](#)

Question # 15

Where do you see your career in five years As Electric Meter Technician?

Answer:-

I would like to retire from this company. I would like to make a difference in the company whether in the company or any other position or area of the company As Electric Meter Technician.

[Read More Answers.](#)

Question # 16

Who are your heroes?

Answer:-

Electric Meter Technician Interview Questions And Answers

Have at least one person you consider a hero or role model. Be ready to explain why they are a hero to you and how they've inspired you to be a better person.

[Read More Answers.](#)

Question # 17

You have a project due in one hour but a more important emergency that affects business needs to be fixed immediately, what do you do?

Answer:-

Focus on the issue that impacts the business most first.

[Read More Answers.](#)

Question # 18

Tell me a difficult situation you have overcome in the workplace?

Answer:-

Conflict resolution, problem solving, communication and coping under pressure are transferable skills desired by many employers As Electric Meter Technician. Answering this question right can help you demonstrate all of these traits.

* Use real-life examples from your previous roles that you are comfortable explaining

* Choose an example that demonstrates the role you played in resolving the situation clearly

* Remain professional at all times - you need to demonstrate that you can keep a cool head and know how to communicate with people

[Read More Answers.](#)

Question # 19

Where do you see yourself in five years? Ten years?

Answer:-

Bad Answer: A generic or uninspired answer. Also, answers that show that this career/company is just a temporary stop for them.

Good answer: One that shows the candidate has thought about this question, has plans, and that those plans align with the job and a career path that is possible in the company. You want to see that this candidate is a good long term investment.

[Read More Answers.](#)

Question # 20

What have you learned from mistakes on the job?

Answer:-

Candidates without specific examples often do not seem credible. However, the example shared should be fairly inconsequential, unintentional, and a learned lesson should be gleaned from it. Moving ahead without group assistance while assigned to a group project meant to be collaborative is a good example.

[Read More Answers.](#)

Question # 21

Why did you leave your last job As Electric Meter Technician?

Answer:-

Regardless of why you left your last job make sure to stay positive. Always smile and focus on the positive reason such you were seeking the opportunity to expand your career opportunities, your interest in working with a new firm that provided greater opportunity, you desired to work in a new location, etc. Don't reference previous job problems or differences with management that caused you to leave. If you stay positive, your answer may help you. If you're negative, you will likely decrease your chances of getting the job for which you're interviewing.

[Read More Answers.](#)

Question # 22

Describe a time when you anticipated potential problems and developed preventive measures?

Answer:-

The key here is to show that you were proactive. How did you find out about the potential problems? How did you address it quickly?

[Read More Answers.](#)

Question # 23

Tell me about a time you had to fire a friend?

Answer:-

Hopefully you've never had to do this, but if you did, talk about how hard it was personally to fire anyone but that you did it objectively.

[Read More Answers.](#)

Question # 24

How would your references describe you?

Answer:-

Think of three major characteristics that demonstrate your best qualities related to work and then have quick stories to describe why.

[Read More Answers.](#)

Question # 25

Can you describe your ideal boss/supervisor?

Electric Meter Technician Interview Questions And Answers

Answer:-

During the interview As Electric Meter Technician process employers will want to find out how you respond to supervision. They want to know whether you have any problems with authority, If you can work well as part of a group (see previous question) and if you take instructions well etc. Never ever ever, criticize a past supervisor or boss. This is a red flag for airlines and your prospective employer will likely assume you are a difficult employee, unable to work in a team or take instruction and side with your former employer.

[Read More Answers.](#)

Question # 26

Why should we select you not others?

Answer:-

Here you need to give strong reasons to your interviewer to select you not others. Sell yourself to your interviewer in interview in every possible best way. You may say like I think I am really qualified for the position. I am a hard worker and a fast learner, and though I may not have all of the qualifications that you need, I know I can learn the job and do it well."

[Read More Answers.](#)

Question # 27

What are your thoughts on failure?

Answer:-

Failure happens. It's a part of life. The key is understanding that you can't be perfect at everything and more importantly you're going to learn from failures to come out stronger.

[Read More Answers.](#)

Question # 28

How would you estimate the weight of the Chrysler building?

Answer:-

This is a process guesstimate where the interviewer wants to know if you know what to ask. First, you would find out the dimensions of the building (height, weight, depth). This will allow you to determine the volume of the building. Does it taper at the top? (Yes.) Then, you need to estimate the composition of the Chrysler building. Is it mostly steel? Concrete? How much would those components weigh per square inch? Remember the extra step: find out whether you're considering the building totally empty or with office furniture, people, etc. If you're including the contents, you might have to add 20 percent or so to the building's weight.

[Read More Answers.](#)

Question # 29

What's been your biggest success to date?

Answer:-

Talk about a story / experience about how you achieved success and be sure to share details on the results and outcome. Have it highlight a strong characteristic such as leadership, work ethic and so forth.

[Read More Answers.](#)

Question # 30

Describe your work style?

Answer:-

Describe the positive aspects of your work style if possible, including: work ethic, attention to detail, interpersonal skills, skill sets (analytical or otherwise), leadership abilities, communication skills.

[Read More Answers.](#)

Question # 31

Describe a time when you've been overwhelmed with work?

Answer:-

Show how you were able to over the "overwhelmed" feeling - by delegating tasks, getting people on your team to help you out, or by prioritizing your work and focusing on the most important issues first As Electric Meter Technician.

[Read More Answers.](#)

Question # 32

Do you like being around people?

Answer:-

People skills are a necessity for medical assistants. When answering this question, be sure to show that you enjoy interacting and working with others and that you also derive great enjoyment from helping others. This will show that you are a team player and that you would be a valuable team member As Electric Meter Technician.

[Read More Answers.](#)

Question # 33

Why are you interested in this type of job As Electric Meter Technician?

Answer:-

You're looking for someone who enjoys working with the elderly, or a caring, sociable, and nurturing person.

[Electric Meter Technician Interview Questions And Answers](#)

[Read More Answers.](#)

Question # 34

What are your thoughts on social media for this role?

Answer:-

Without a doubt, social media is becoming more and more pervasive in our jobs. You should stress that social media is not appropriate for personal use at work. However, if the company embraces social media in certain departments (for example marketing), then you may want to discuss how you could use it for work (as long as it applies to your role).

[Read More Answers.](#)

Question # 35

What do you think of your previous boss?

Answer:-

Do not belittle or talk badly of your last boss - it will come off as being petty. Instead, talk about the positive lessons you were able to learn from your last boss.

[Read More Answers.](#)

Question # 36

Why did you choose your major in college or tech school?

Answer:-

People usually choose their major based on their passions or the career path they want to head towards.

[Read More Answers.](#)

Question # 37

What is your greatest strength? How does it help you As Electric Meter Technician?

Answer:-

One of my greatest strengths, and that I am a diligent worker... I care about the work getting done.. I am always willing to help others in the team.. Being patient helps me not jump to conclusions... Patience helps me stay calm when I have to work under pressure.. Being a diligent worker.. It ensures that the team has the same goals in accomplishing certain things.

[Read More Answers.](#)

Question # 38

Have you ever been fired and if yes, why?

Answer:-

Answer this as positively as possible and try to avoid disparaging the company you had previously worked for. The key is to accept the fact that yes, you were fired, but you've learned from the mistakes that got you there and you're better now because of it. If you haven't been fired, well, then this question's a piece of cake isn't it?

[Read More Answers.](#)

Question # 39

What's a time you disagreed with a decision that was made at work?

Answer:-

Everyone disagrees with the boss from time to time, but in asking this interview question As Electric Meter Technician, hiring managers want to know that you can do so in a productive, professional way. "You don't want to tell the story about the time when you disagreed but your boss was being a jerk and you just gave in to keep the peace. And you don't want to tell the one where you realized you were wrong,". Tell the one where your actions made a positive difference on the outcome of the situation, whether it was a work-related outcome or a more effective and productive working relationship.

[Read More Answers.](#)

Question # 40

What did you major in and why?

Answer:-

Tell them your major and the motivations behind why you chose it and how it's helped to prep your of this potential job.

[Read More Answers.](#)

Question # 41

Was there a person in your career who really made a difference?

Answer:-

If you can't think of one, you need to get a mentor QUICKLY! Mentors can come in the form of peers, family members, co-workers, management / leaders at a company and so on.

[Read More Answers.](#)

Question # 42

What are three positive character traits you don't have?

Answer:-

[Electric Meter Technician Interview Questions And Answers](#)

List three attributes that you aspire to attain / build in the next few years - and then explain how you would develop those.

[Read More Answers.](#)

Question # 43

What are your lifelong dreams?

Answer:-

If your dreams don't relate to the job closely, make sure you highlight aspects of the job that will help develop the skills that will help you with your dreams. Ideally, you want your dreams to relate strongly to the career path you're interviewing for though.

[Read More Answers.](#)

Question # 44

What type of extracurricular activities are you a part of?

Answer:-

Discuss the clubs / activities you were in, share a personal story about why you enjoyed it and then describe how it's helped shape you to be who you are today. For example, I enjoyed rock climbing because it taught me the value of practicing hard at a sport to become skilled in it. I bring this same diligence to my work approach today as well.

[Read More Answers.](#)

Question # 45

Why should we give you this job As Electric Meter Technician when someone else is equally qualified?

Answer:-

Describe how you're unique, but make sure you tie it to the job responsibilities and how you would impact the company. For example, "I believe my unique programming skills and experience in developing over 18 best selling iphone apps will help the company develop high quality applications faster than my competitors"

[Read More Answers.](#)

Question # 46

If you have seven white socks and nine black socks in a drawer, how many socks do you have to pull out blindly in order to ensure that you have a matching pair?

Answer:-

if the first one is one color (say, white), and the second one is the other color (black), then the third one, no matter what the color, will make a matching pair. (Sometimes you're not supposed to think that hard.)

[Read More Answers.](#)

Question # 47

Do you work better on a team, with just one partner, or alone?

Answer:-

Ideally you can handle all three well, but you may have a personal preference for one or a few. The key is to make sure you understand what the job is looking for and to pair your answer with that (assuming it's true)

[Read More Answers.](#)

Question # 48

What are ideas or initiatives you've led and what was the outcome?

Answer:-

Describe your most unique ideas and initiatives that had the best results for the company. Make sure you highlight your creativity, your results, your diligence and your ability to execute.

[Read More Answers.](#)

Question # 49

Did you get on well with your last manager?

Answer:-

A dreaded question for many! When answering this question never give a negative answer. "I did not get on with my manager" or "The management did not run the business well" will show you in a negative light and reduce your chance of a job offer. Answer the question positively, emphasizing that you have been looking for a career progression. Start by telling the interviewer what you gained from your last job As Electric Meter Technician

[Read More Answers.](#)

Question # 50

How do you handle your anger?

Answer:-

I don't get angry very easily but in the rare occasion that I do, I hold it in and act as though nothing is wrong.

[Read More Answers.](#)

Question # 51

Explain me about your experience working in this field As Electric Meter Technician?

Electric Meter Technician Interview Questions And Answers

Answer:-

I am dedicated, hardworking and great team player for the common goal of the company I work with. I am fast learner and quickly adopt to fast pace and dynamic area. I am well organized, detail oriented and punctual person.

[Read More Answers.](#)

Question # 52

What was the most important task you ever had?

Answer:-

There are two common answers to this question that do little to impress recruiters:

* 'I got a 2.1'

* 'I passed my driving test'

No matter how proud you are of these achievements, they don't say anything exciting about you. When you're going for a graduate job, having a degree is hardly going to make you stand out from the crowd and neither is having a driving licence, which is a requirement of many jobs.

[Read More Answers.](#)

Question # 53

Do you have any question regarding this job As Electric Meter Technician?

Answer:-

Never ask Salary, perks, leave, place of posting, etc. regarded questions. Try to ask more about the company to show how early you can make a contribution to your organization like. "Sir, with your kind permission I would like to know more about induction and developmental programs?" OR Sir, I would like to have my feedback, so that I can analyze and improve my strengths and rectify my shortcomings.

[Read More Answers.](#)

Question # 54

What does "thinking outside the box" mean to you?

Answer:-

It means not doing things exactly the same way as everyone else. You've got to challenge the status quo and bring something new to the business.

[Read More Answers.](#)

Question # 55

Explain an idea that you have had and have then implemented in practice?

Answer:-

Often an interview guide will outline the so-called 'STAR' approach for answering such questions; Structure the answer as a situation, task, action, and result: what the context was, what you needed to achieve, what you did, and what the outcome was as a result of your actions.

[Read More Answers.](#)

Question # 56

What do you expect to be earning in 5 years As Electric Meter Technician?

Answer:-

Discuss how you expect yourself to be excellent at your job. Thus, it would be reasonable to expect pay that is based on the merit of your work.

[Read More Answers.](#)

Question # 57

Tell me something about your family background?

Answer:-

First, always feel proud while discussing about your family background. Just simple share the details with the things that how they influenced you to work in an airline field.

[Read More Answers.](#)

Question # 58

Why are you leaving your current job?

Answer:-

This is a toughie, but one you can be sure you'll be asked. Definitely keep things positive-you have nothing to gain by being negative about your past employers. Instead, frame things in a way that shows that you're eager to take on new opportunities and that the role you're interviewing for is a better fit for you than your current or last position. For example, "I'd really love to be part of product development from beginning to end, and I know I'd have that opportunity here." And if you were let go? Keep it simple: "Unfortunately, I was let go," is a totally OK answer.

[Read More Answers.](#)

Question # 59

Give me an example of when you competed hard and won?

Answer:-

You can reference many different areas here when discussing a story of where you won in competition: Work experience (ideal), sports, clubs, classes, projects.

[Read More Answers.](#)

[Electric Meter Technician Interview Questions And Answers](#)

Question # 60

Give me an example of an emergency situation that you faced. How did you handle it?

Answer:-

There was a time when one of my employers faced the quitting of a manager in another country. I was asked to go fill in for him while they found a replacement and stay to train that person. I would be at least 30 days. I quickly accepted because I knew that my department couldn't function without me.

[Read More Answers.](#)

Question # 61

How would you rate your communication and interpersonal skills for this job As Electric Meter Technician?

Answer:-

These are important for support workers. But they differ from the communication skills of a CEO or a desktop support technician. Communication must be adapted to the special ways and needs of the clients. Workers must be able to not only understand and help their clients, but must project empathy and be a warm, humane presence in their lives.

[Read More Answers.](#)

Question # 62

Tell me about the last time you had to work with someone inside or outside of your department to accomplish a goal?

Answer:-

Show that you were communicative with that person and that you were able to collaborate effectively in sharing ideas and work tasks. They want to see that you can be a team player.

[Read More Answers.](#)

Question # 63

What's your salary history?

Answer:-

When you are interviewing for a new job, it is common practice for the company to ask you about your salary history. I typically want to know what the candidate's base salary is, if they receive any bonus, the average bonus amount, and any additional compensation or perks, such as 500k matching, stock grants or stock options, paid time off and how much they are required to pay towards their medical premiums.

[Read More Answers.](#)

Question # 64

How good are you at problem solving?

Answer:-

Describe the problem first and then discuss how you were able to fix it.

[Read More Answers.](#)

Question # 65

What would you do if our competitor offered you a position As Electric Meter Technician?

Answer:-

I would weigh the offer and consider it, however, this company and this role is my first choice.

[Read More Answers.](#)

Question # 66

Do you work well under pressure?

Answer:-

Yes.. When it comes down to the wire, the best thing I can to remain focused, have some flexibility, and understand priorities.. Giving them attention in the order they are needed.

[Read More Answers.](#)

Question # 67

How much time do you need to join the organization As Electric Meter Technician?

Answer:-

You should be able to join it right away, barring plans you've already made (family travel, vacation, other obligations). The key is to simply be open in communication of what's already committed on your schedule. Most companies are accommodating. If they are not, weight the importance of joining that company vs. your plans.

[Read More Answers.](#)

Question # 68

Rate yourself on a scale of 10?

Answer:-

If you truly believe you're a 10, you better be able to explain why with examples / stories. If you believe you're a great contributor and have room to grow, say 8 or 9. If you're below that, explain what you would do to improve yourself to get the ranking you believe you can be.

[Read More Answers.](#)

Question # 69

Explain me about a time when you reached a goal within a tight deadline?

Answer:-

I work well under pressure to meet deadlines without jeopardizing the quality of my work. I have always worked in a fast pace environment where we are constantly under pressure to achieve best results within a time frame.

[Read More Answers.](#)

Question # 70

What does quality work mean to you?

Answer:-

Quality work to be is about doing work to the require or set standard, which is very important when it comes to warehouse operations.

[Read More Answers.](#)

Question # 71

How do you act when you encounter competition?

Answer:-

This question is designed to see if you can rise the occasion. You want to discuss how you are the type to battle competition strongly and then you need to cite an example if possible of your past work experience where you were able to do so.

[Read More Answers.](#)

Question # 72

How do you handle stressful situations?

Answer:-

By remaining calm, weighing out all my options and executing a plan to get the situation resolve .

[Read More Answers.](#)

Question # 73

How do you plan to go by an example for your subordinates?

Answer:-

Sticking to the rules by yourself, working hard and not mind participating on basic tasks is a good answer.

[Read More Answers.](#)

Question # 74

What are three positive things your last boss would say about you?

Answer:-

It's time to pull out your old performance appraisals and boss's quotes. This is a great way to brag about yourself through someone else's words:
"My boss has told me that I am the best designer he has ever had. He knows he can rely on me, and he likes my sense of humor."

[Read More Answers.](#)

Question # 75

What are your salary expectations As Electric Meter Technician?

Answer:-

This question is like a loaded gun, tricky and dangerous if you're not sure what you are doing. It's not uncommon for people to end up talking salary before really selling their skills, but knowledge is power as this is a negotiation after all. Again, this is an area where doing your research will be helpful as you will have an understanding of average salary.

One approach is asking the interviewer about the salary range, but to avoid the question entirely, you can respond that money isn't a key factor and you're goal is to advance in your career. However, if you have a minimum figure in mind and you believe you're able to get it, you may find it worth trying.
