Financial Advisor Job Interview Preparation Guide.

Question # 1

Who is Financial Advisor?

Answer:-

A financial adviser (or advisor) is a professional who renders financial services to clients. According to the U.S. Financial Industry Regulatory Authority (FINRA), terms such as financial adviser and financial planner are general terms or job titles used by investment professionals and do not denote any specific designations.

Question # 2

What I should expect from a financial adviser?

Answer:-

You should expect your financial adviser to deal with you and your affairs in an open, honest and professional manner. The role of a financial adviser is to recommend financial products and strategies that best suit your needs and personal circumstances from a myriad of options.

Question # 6

Do you know what is unique about retainer?

Answer:-

Even though this is our mid-tier retainer, clients aren't treated like "mid-tier" clients. We devised this retainer to make our practice more affordable to the "average person." It is great way for clients to partner with an advisor, but not pay the higher fee of the Wealth Management option.
