Question # 7

What is your greatest professional achievement?

Answer:-

Nothing says "hire me" better than a track record of achieving amazing results in past jobs As Medicine Preparator, so don't be shy when answering this interview question! A great way to do so is by using the S-T-A-R method: Set up the situation and the task that you were required to complete to provide the interviewer with background context (e.g., "In my last job as a Medicine Preparator, it was my role to manage the invoicing process"), but spend the bulk of your time describing what you actually did (the action) and what you achieved (the result). For example, "In one month, I streamlined the process, which saved my group 10 man-hours each month and reduced errors on invoices by 25%."

Question # 10

How would you estimate the weight of the Chrysler building?

Answer:-

This is a process guesstimate where the interviewer wants to know if you know what to ask. First, you would find out the dimensions of the building (height, weight, depth). This will allow you to determine the volume of the building. Does it taper at the top? (Yes.) Then, you need to estimate the composition of the Chrysler building. Is it mostly steel? Concrete? How much would those components weigh per square inch? Remember the extra step: find out whether you're considering the building totally empty or with office furniture, people, etc. If you're including the contents, you might have to add 20 percent or so to the building's weight.
