Motivation Job Interview Preparation Guide.

Question # 1

Which exactly does a person require to motivate an individual?

Answer:-

Motivation is when you enjoy what you are doing, when you feel that there is another person inside you telling you to continue what you are working because you are going to be something if you can do this work perfectly, when you can not feel the time around you because what you are doing is pleasuring and makes you feel that you are affective in the society. The person requires to be motivated themselves so they can motivate an individual.
