NIH Job Interview Preparation Guide.

Question # 1

Why are you leaving last job?

Answer:-

Although this would seem like a simple question, it can easily become tricky. You shouldn't mention salary being a factor at this point At NIH. If you're currently employed, your response can focus on developing and expanding your career and even yourself. If you're current employer is downsizing, remain positive and brief. If your employer fired you, prepare a solid reason. Under no circumstance should you discuss any drama or negativity, always remain positive.

[Read More Answers.](#)

Question # 2

What would you do if you won the lottery?

Answer:-

The interviewer is asking this question to find out what your true passion is. Ideally it aligns to the type of work you're interviewing for. If not, tie it back in terms of how it relates to the job, for example, "I believe I'll learn the necessary skills in this job to pursue my passion later on in life."

[Read More Answers.](#)

Question # 3

Give me an example of a time when you set a goal and were able to meet or achieve it?

Answer:-

Show that you set great goals and the process and steps you took to achieve it. Details really matter here.

[Read More Answers.](#)

Question # 4

Describe your work ethic?

Answer:-

While discussing this, be sure to stress specific examples of what you bring to the company. Good qualities include resolve to fulfill job responsibilities, optimism, and a desire to be as efficient as possible while at work.

[Read More Answers.](#)

Question # 5

What kind of car do you drive?

Answer:-

The only time this might matter is if the job requires a certain type of car because of the responsibilities. For example, if you need to load a lot of construction materials into your car, you'll probably need a truck.

[Read More Answers.](#)

Question # 6

What can you offer us that someone else can not?

Answer:-

Bad Answer: Going negative - if the candidate starts trash talking other candidates, it's a sure sign of a bad attitude. Also, if they can't provide a solid answer, it may show that they lack thorough knowledge of the skills the job requires, and an understanding of where they fit in.

Good answer: The candidate can name specific skills, abilities or understandings they have that apply directly to the job that other candidates are unlikely to have, or are in short supply.

[Read More Answers.](#)

Question # 7

Are you able to relocate if required?

**Answer:-**

Be completely honest and thoughtful with this one. You don't want to wake up one to find out that you're moving to a new city or state and it may be a major factor in your eligibility for employment. But again, if you don't want to move then the job probably isn't for you.

[Read More Answers.](#)

Question # 8

Why did you select the University _____?

Answer:-

Discuss the academic program, the extracurricular program(s), the school spirit, the quality of your peers, and the professors.

[Read More Answers.](#)

Question # 9

What's the difference between good and exceptionally great?

Answer:-

Being good is getting the job done as promised At NIH. Being great is delivering the work in an exceptional way that completely exceeds expectations.

[Read More Answers.](#)

Question # 10

Tell me why do you want this job At NIH?

Answer:-

Bad Answer: No solid answer, answers that don't align with what the job actually offers, or uninspired answers that show your position is just another of the many jobs they're applying for.

Good answer: The candidate has clear reasons for wanting the job that show enthusiasm for the work and the position, and knowledge about the company and job.

[Read More Answers.](#)

Question # 11

What do you think about Teamwork?

Answer:-

I enjoy teamwork and am used to shift work. I think I would adapt well to the role. I am looking for new challenges At NIH and I know I would learn a lot as cabin crew, not just about people and places, but skills like first aid too, how can I help others with in my limits.

[Read More Answers.](#)

Question # 12

Are you willing to work in shifts?

Answer:-

If the job calls for shifts that vary, be ready to do that for your work. If you aren't open to that, then explain why and see if they can adjust it for you.

[Read More Answers.](#)

Question # 13

What is your greatest professional achievement?

Answer:-

Nothing says "hire me" better than a track record of achieving amazing results in past jobs At NIH, so don't be shy when answering this interview question! A great way to do so is by using the S-T-A-R method: Set up the situation and the task that you were required to complete to provide the interviewer with background context (e.g., "In my last job as a NIH, it was my role to manage the invoicing process"), but spend the bulk of your time describing what you actually did (the action) and what you achieved (the result). For example, "In one month, I streamlined the process, which saved my group 10 man-hours each month and reduced errors on invoices by 25%."

[Read More Answers.](#)

Question # 14

How do you evaluate success At NIH?

Answer:-

I evaluate success At NIH in different ways. At work, it is meeting the goals set by my supervisors and my fellow workers. It is my understanding, from talking to other employees, that the Global Guideline company is recognized for not only rewarding success but giving employees opportunity to grow as well.

[Read More Answers.](#)

Question # 15

How did you handle meeting a tight deadline At NIH?

Answer:-

Review every deadline you need to meet. Prioritize your projects by deadline and factor in how important each project is. Record your deadlines on a digital calendar or spreadsheet.

[Read More Answers.](#)

Question # 16

Would you like doing repetitive work?

Answer:-

Why not, I am not only doing a repetitive work but also earning but also getting a good salary by the company At NIH. And second thing is that nothing is interesting in the life till we are not interested.

[Read More Answers.](#)

Question # 17

How would your references describe you?

Answer:-

Think of three major characteristics that demonstrate your best qualities related to work and then have quick stories to describe why.

[Read More Answers.](#)

Question # 18

What relevant work experience do you have in this career field At NIH?

Answer:-

Talk about specific work related experience for the position you're interviewing for. Make sure the experience is relevant. Don't talk about previous experience that is not related to the position in question. If you don't have specific career related experience speak about prior experience that has helped you develop the specific knowledge and skills required for the position you are applying for.

[Read More Answers.](#)

Question # 19

Top 13 Situational Interview Questions At NIH:

Answer:-

Situational interviews At NIH are similar to behavioral interview questions - but they are focused on the future, and ask hypothetical questions, whereas behavioral interview questions look at the past.

The advantage is that employers can put all candidates in the same hypothetical situations, and compare their answers.

1. What would you do if you made a strong recommendation in a meeting, but your colleagues decided against it?
2. How you would handle it if your team resisted a new idea or policy you introduced?
3. How would you handle it if the priorities for a project you were working on were suddenly changed?
4. What would you do if the work of an employee you managed didn't meet expectations?
5. What would you do if an important task was not up to standard, but the deadline to complete it had passed?
6. What steps would you take to make an important decision on the job At NIH?
7. How would you handle a colleague you were unable to form a positive relationship with?
8. What would you do if you disagreed with the way a manager wanted you to handle a problem?
9. What would you do if you were assigned to work with a difficult client At NIH?
10. What would you do if you worked hard on a solution to a problem, and your solution was criticized by your team?
11. How would you handle working closely with a colleague who was very different from you?
12. You're working on a key project that you can't complete, because you're waiting on work from a colleague. What do you do?
13. You realize that an early mistake in a project is going to put you behind deadline. What do you do?

[Read More Answers.](#)

Question # 20

If you were interviewing someone for this position At NIH, what traits would you look for?

Answer:-

This is where the interviewer tries to turn the tables on you. Answer confidently by stating 3 specific traits that are applicable to that job role. For example, a consulting job would likely look for someone who can think outside of the box.

After answering, ask them, "Am I spot on here and if not, what traits would you look for?"

[Read More Answers.](#)

Question # 21

Tell me about a time when you had to give someone difficult feedback At NIH?

Answer:-

By asking this question, your interviewer hopes to learn whether you can communicate effectively, address issues in the workplace and motivate others during difficult times. Giving negative feedback requires honesty, thoughtfulness and tact. Answering this question well can help show an interviewer that you would be a good fit for a managerial position or a position that involves working closely with others.

[Read More Answers.](#)

Question # 22

What five words would be describe you as NIH?

Answer:-

The hiring manager requests this of you because she wants to know more about your individual personality. This list can reveal a lot to her about who you are and how you might fit into the workplace. Your answer also gives the manager an indication of your self-perception, which is a good indicator of the type of employee you will be.

[Read More Answers.](#)

Question # 23

How did you hear about the position At NIH?

Answer:-

Another seemingly innocuous interview question, this is actually a perfect opportunity to stand out and show your passion for and connection to the company and for job At NIH. For example, if you found out about the gig through a friend or professional contact, name drop that person, then share why you were so excited about it. If you discovered the company through an event or article, share that. Even if you found the listing through a random job board, share what, specifically, caught your eye about the role.

[Read More Answers.](#)

Question # 24

What do you like to do?

Answer:-

Discuss your passions At NIH. Ideally if it's work related that's fantastic! If not, talk about your academic / extracurricular passions and WHY you enjoy them. For example: I love playing sports because of the team work aspect - it's fun winning together! (This example shows you're a team player)

[Read More Answers.](#)

Question # 25

Did you consider yourself a team player?

Answer:-

Of course you're a team player - who isn't. But a simple yes probably isn't the response the interviewer is looking for. Be ready to provide specific example of how you've worked as part of a cohesive team to get things accomplished and how you've focus on team performance rather than individual performance. Make sure not to brag as this will make it appear as that you're more concerned about your own performance and accomplishments than those of the team.

[Read More Answers.](#)

Question # 26

What is it about this position At NIH that attracts you the most?

Answer:-

Use your knowledge of the job description to demonstrate how you are a suitable match for the role.

[Read More Answers.](#)

Question # 27

What do you know about this company?

Answer:-

Research the company on Google by searching recent news (to remain current on them) and their website. Make sure you understand their products / services, vision, competitive differentiators, and work culture.

[Read More Answers.](#)

Question # 28

How do you inspire others to be better?

Answer:-

First, the key to inspiring others it to first understand what their goals and objectives are. Once you understand what people want, you can inspire them with a vision that aligns to what they care about. People generally care about having purpose, being successful (and being recognized for it), contributing in a meaningful way, and financial rewards (to a degree) and much more. Then once you understand what people set as goals, you can inspire them through 1:1 pep talks, a presentation to multiple people and so forth.

[Read More Answers.](#)

Question # 29

What is the most important lesson / skill you've learned from school?

Answer:-

Think of lessons learned in extra curricular activities, in clubs, in classes that had a profound impact on your personal development. For example, I had to lead a team of 5 people on a school project and learned to get people with drastically different personalities to work together as a team to achieve our objective.

[Read More Answers.](#)

Question # 30

How would your former employer describe you?

Answer:-

In all likelihood, the interviewer will actually speak with your former employer so honesty is key. Answer as confidently and positively as possible and list all of the positive things your past employer would recognize about you. Do not make the mistake of simply saying you are responsible, organized, and dependable. Instead, include traits that are directly related to your work as a medical assistant, such as the ability to handle stressful situations and difficult patients, the way you kept meticulous records, and more.

[Read More Answers.](#)

Question # 31

Describe a time when you've been overwhelmed with work?

**Answer:-**

Show how you were able to over the "overwhelmed" feeling - by delegating tasks, getting people on your team to help you out, or by prioritizing your work and focusing on the most important issues first At NIH.

[Read More Answers.](#)

Question # 32

What other jobs are you applying for At NIH?

Answer:-

If you're applying with other similar companies in a similar or the same industry, it's actually okay to state that as it shows you're valued and wanted.

[Read More Answers.](#)

Question # 33

What do you know about our competition?

Answer:-

Make sure you do your research on their competitors. You can find this by going to yahoo finance and click on their competitors (if they are public). From there research the news on them and go to their websites to understand their positioning on solutions and vision. You can also research local regional companies that are their competition (if it's a smaller private company on a regional scale) by simply typing in similar product offerings in the Google search followed by the city. Make sure you know their competitor's vision, products, culture, and how they are differentiated against their competition (and if they're not, how they could be)

[Read More Answers.](#)

Question # 34

Do you have good manners? What types of people need to be treated with good manners?

Answer:-

You should have good manners. Everyone should be treated with courtesy and respect.

[Read More Answers.](#)

Question # 35

What types of situations do you consider "unfixable"?

Answer:-

Most situations are "fixable" - the ones that are not are typically related to business ethics (someone is cheating the company, someone is stealing, etc)

[Read More Answers.](#)

Question # 36

Why are you the best fit for this job At NIH?

Answer:-

Analyze the job responsibilities and match those to your skills sets. Then discuss how your experience and skills sets can truly create the best impact to the company in that specific job role. Impact could mean marketing impressions, sales, cutting costs, making products more efficiently, creating better customer service, engineering new designs that create customer excitement, etc.

[Read More Answers.](#)

Question # 37

What negative thing would your last boss say about you?

Answer:-

"He/She wouldn't say anything bad, but he/she may point out I could improve in a certain area, and I've taken steps to become better at those skills"

[Read More Answers.](#)

Question # 38

What is your greatest failure At NIH, and what did you learn from it?

Answer:-

When I was in college, I took an art class to supplement my curriculum. I didn't take it very seriously, and assumed that, compared to my Engineering classes, it would be a walk in the park. My failing grades at midterm showed me otherwise. I'd even jeopardized my scholarship status. I knew I had to get my act together. I spent the rest of the semester making up for it, ended up getting a decent grade in the class. I learned that no matter what I'm doing, I should strive to do it to the best of my ability. Otherwise, it's not worth doing at all.

[Read More Answers.](#)

Question # 39

How would you feel about working for someone who knows less than you At NIH?

Answer:-

The reality is, the majority of the time someone is in a management/leadership position is because of their experience and past success. So they probably possess at least a unique set of knowledge from you. So you'll want to learn from them as much as possible. If it's not the case, then discuss how you would look for mentors in different departments to help your personal career development.

[Read More Answers.](#)

Question # 40

What are your lifelong dreams?

Answer:-

If your dreams don't relate to the job closely, make sure you highlight aspects of the job that will help develop the skills that will help you with your dreams. Ideally, you want your dreams to relate strongly to the career path you're interviewing for though.

[Read More Answers.](#)

Question # 41

How important is a positive attitude to you?

Answer:-

Incredibly important. I believe a positive attitude is the foundation of being successful - it's contagious in the workplace, with our customers, and ultimately it's the difference maker.

[Read More Answers.](#)

Question # 42

How would you be an asset to us At NIH?

Answer:-

Think again about the job specification and the skills needed for this role At NIH. Have a paragraph prepared highlighting how you will be able to do the job and what you can bring to the team. It goes without saying that this paragraph should be positive.

[Read More Answers.](#)

Question # 43

How well do you multi-task?

Answer:-

Multi-tasking is an important part of most jobs. You want to show that you're good at it but not overwhelmed with it. So discuss just a few things you can multi-task well on - for example: "I'm good at multi tasking between work email and working on projects At NIH and the reason it because I'm good at prioritizing my work emails.

[Read More Answers.](#)

Question # 44

Who are your role models? Why?

Answer:-

If possible, cite role models you're truly passionate about - passion is contagious and will show you're being genuine. If the role model is in the same or similar industry as the company in an executive level position, even better.

[Read More Answers.](#)

Question # 45

Have you ever mentored anyone before? If yes, describe the situation?

Answer:-

Describe a time where you've helped someone else. Mentor ships can be informal so as you've helped someone over a period of time that can certainly count. The key is to highlight how you utilized certain skills/attributes like coaching, teaching, patience, communication skills, and so forth to mentor that person.

[Read More Answers.](#)

Question # 46

What is your biggest regret to date and why?

Answer:-

Describe honestly the regretful action / situation you were in but then discuss how you proactively fixed / improved it and how that helped you to improve as a person/worker.

[Read More Answers.](#)

Question # 47

How do you stay up to date with industry?

Answer:-

Discuss how you stay up to date by reading industry specific sites, magazines, and Google / yahoo news. Also make sure you stay up to date by reading the current news on the company's website.

[Read More Answers.](#)

Question # 48

Suppose there are three light switches outside a room. Inside is a single light bulb, controlled by one of the three switches. You need to determine which switch operates the bulb. You can turn the switches on and off as many times as you wish (they are all off to begin with), but may only enter the room once. There is no one there to help you. The door to the room is closed, and there are no windows, so you cannot see inside. How can you discover which switch operates the bulb?

Answer:-

Do the following steps:

- * 1. Turn ON two switches, and leave one OFF.
- * 2. Wait a few minutes.
- * 3. Turn one switch from ON to OFF. One is now ON and two are OFF
- * 4. Enter the room. - If the light is ON, it is controlled by the switch you left ON. - If the light bulb is OFF, touch it. If it is warm it is controlled by the switch you turned ON and OFF. If it is cold, it is controlled by the switch you never turned on.

[Read More Answers.](#)

Question # 49

Why should I hire you At NIH?

Answer:-

To close the deal on a job offer, you **MUST** be prepared with a concise summary of the top reasons to choose you. Even if your interviewer doesn't ask one of these question in so many words, you should have an answer prepared and be looking for ways to communicate your top reasons throughout the interview process.

[Read More Answers.](#)

Question # 50

How meticulous are you with details?

Answer:-

Being detailed is important for many types of job roles. Typically you want to highlight how you've done that in previous roles. Example: "Being meticulous is important to me. In my last job, I had to count the money in the register as a cashier to make sure it matched to the receipts down to the last penny." This was to ensure there wasn't any "wrongdoing" at the company by any of the cashiers and I was always accurate in my reports.

[Read More Answers.](#)

Question # 51

What do you look for in terms of culture -- structured or entrepreneurial?

Answer:-

A good answer is to discuss the importance of having both elements in a company At NIH. Structure is good to maintain a focus on priorities and making sure people are productive but having an entrepreneurial spirit can help cultivate new ideas that can truly help the company.

[Read More Answers.](#)

Question # 52

What would your first 30, 60, or 90 days look like in this role At NIH?

Answer:-

Start by explaining what you'd need to do to get ramped up. What information would you need? What parts of the company would you need to familiarize yourself with? What other employees would you want to sit down with? Next, choose a couple of areas where you think you can make meaningful contributions right away. (e.g., "I think a great starter project would be diving into your email marketing campaigns and setting up a tracking system for them.") Sure, if you get the job, you (or your new employer) might decide there's a better starting place, but having an answer prepared will show the interviewer where you can add immediate impact-and that you're excited to get started.

[Read More Answers.](#)

Question # 53

What's your salary history?

Answer:-

When you are interviewing for a new job, it is common practice for the company to ask you about your salary history. I typically want to know what the candidate's base salary is, if they receive any bonus, the average bonus amount, and any additional compensation or perks, such as 500k matching, stock grants or stock options, paid time off and how much they are required to pay towards their medical premiums.

[Read More Answers.](#)

Question # 54

Are you aggressive?

Answer:-

If you are, describe it through a story / experience that you had. If you aren't, then explain why you're not. If the job role asks for you to be aggressive/not aggressive and you're the opposite of it, explain how you would develop that characteristic.

[Read More Answers.](#)

Question # 55

What does quality work mean to you?

Answer:-

Quality work to be is about doing work to the require or set standard, which is very important when it comes to warehouse operations.

[Read More Answers.](#)

Question # 56

How do you plan to go by an example for your subordinates?

Answer:-

Sticking to the rules by yourself, working hard and not mind participating on basic tasks is a good answer.

[Read More Answers.](#)

Question # 57

How do you keep each member of the team involved and motivated?

Answer:-

Many managers mistakenly think that money is the prime motivator for their employees. However, according to surveys by several different companies, money is consistently ranked five or lower by most employees. So if money is not the best way to motivate your team, what is?

Employees' three most important issues according to employees are:

- * Respect
- * A sense of accomplishment
- * Recognition

[Read More Answers.](#)

Question # 58

Describe to me the position At NIH you're applying for?

Answer:-

This is a "homework" question, too, but it also gives some clues as to the perspective the person brings to the table. The best preparation you can do is to read the job description and repeat it to yourself in your own words so that you can do this smoothly at the interview.

[Read More Answers.](#)

Question # 59

What type of work environment do you prefer?

Answer:-

Ideally one that's similar to the environment of the company you're applying to. Be specific.

[Read More Answers.](#)

Question # 60

What kind of salary do you need At NIH?

Answer:-

This is a loaded question and a nasty little game that you will probably lose if you answer first. So, do not answer it. Instead, say something like, that's a tough question. Can you tell me the range for this position? In most cases, the interviewer, taken off guard, will tell you. If not, say that it can depend on the details of the job. Then give a wide range.

[Read More Answers.](#)

Question # 61

How much time do you need to join the organization At NIH?

Answer:-

You should be able to join it right away, barring plans you've already made (family travel, vacation, other obligations). The key is to simply be open in communication of what's already committed on your schedule. Most companies are accommodating. If they are not, weight the importance of joining that company vs. your plans.

[Read More Answers.](#)

Question # 62

Why should the we hire you as this position At NIH?

Answer:-

This is the part where you link your skills, experience, education and your personality to the job itself. This is why you need to be utterly familiar with the job description as well as the company culture. Remember though, it's best to back them up with actual examples of say, how you are a good team player.

[Read More Answers.](#)

Question # 63

Give me an example of an emergency situation that you faced. How did you handle it?

Answer:-

There was a time when one of my employers faced the quitting of a manager in another country. I was asked to go fill in for him while they found a replacement and stay to train that person. I would be at least 30 days. I quickly accepted because I knew that my department couldn't function without me.

[Read More Answers.](#)

Question # 64

What aspect of supervision do you find the most difficult?

Answer:-

Managing different personalities and keeping them focused on the goal at hand.

[Read More Answers.](#)

Question # 65

How do you ensure all of your work gets accomplished in a productive manner?

Answer:-

The key is to prioritize what's important in your work and to stay organized to accomplish the tasks. A strong work ethic also helps.

[Read More Answers.](#)

Question # 66

Explain an idea that you have had and have then implemented in practice?

Answer:-

Often an interview guide will outline the so-called 'STAR' approach for answering such questions; Structure the answer as a situation, task, action, and result: what the context was, what you needed to achieve, what you did, and what the outcome was as a result of your actions.

[Read More Answers.](#)

Question # 67

Why are you leaving your current job?

Answer:-

This is a toughie, but one you can be sure you'll be asked. Definitely keep things positive-you have nothing to gain by being negative about your past employers. Instead, frame things in a way that shows that you're eager to take on new opportunities and that the role you're interviewing for is a better fit for you than your current or last position. For example, "I'd really love to be part of product development from beginning to end, and I know I'd have that opportunity here." And if you were let go? Keep it simple: "Unfortunately, I was let go," is a totally OK answer.

[Read More Answers.](#)

Question # 68

What do you think we could do better or differently?

Answer:-

This is a common one at startups. Hiring managers want to know that you not only have some background on the company, but that you're able to think critically about it and come to the table with new ideas. So, come with new ideas! What new features would you love to see? How could the company increase conversions? How could customer service be improved? You don't need to have the company's four-year strategy figured out, but do share your thoughts, and more importantly, show how your interests and expertise would lend themselves to the job.

[Read More Answers.](#)

Question # 69

How long will it take for you to make a significant contribution?

Answer:-

First define significant contribution - once you do that - lay out a timeline plan in which you think you can achieve that.

[Read More Answers.](#)

Question # 70

What is your greatest weakness At NIH? What are you doing to improve it?

Answer:-

I believe my biggest weakness At NIH is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[Read More Answers.](#)

Question # 71

Tell me about the last time you had to work with someone inside or outside of your department to accomplish a goal?

Answer:-

Show that you were communicative with that person and that you were able to collaborate effectively in sharing ideas and work tasks. They want to see that you can be a team player.

[Read More Answers.](#)

Question # 72

How much do you expect to get paid At NIH?

Answer:-

For this be prepared and research salary to find out what similar positions are paying in your area before you go to the interview. Try to find this information out before giving your salary expectations. You can and should provide a range instead of an exact number. But again, don't say any numbers you're not comfortable with because if the employer offers you a salary at the lowest end of your range, you don't have much to negotiate with when it comes to getting a higher salary.

[Read More Answers.](#)

Question # 73

Do you have any questions for me?

Answer:-

Good interview questions to ask interviewers at the end of the job interview include questions on the company growth or expansion, questions on personal development and training and questions on company values, staff retention and company achievements.

[Read More Answers.](#)

Question # 74

Do you have any question regarding this job At NIH?

Answer:-

Never ask Salary, perks, leave, place of posting, etc. regarded questions. Try to ask more about the company to show how early you can make a contribution to your organization like. "Sir, with your kind permission I would like to know more about induction and developmental programs?" OR Sir, I would like to have my feedback, so that I can analyze and improve my strengths and rectify my shortcomings.

[Read More Answers.](#)

Question # 75

Do you like to start personal relationships with other employees?

Answer:-

Well, the right answer is yes and no. Good personal relations can improve the overall performance of a team. But on the other hand, you should not let your emotions to affect your decisions in work.
