Question # 3

Suppose you have anger issues? If yes, how do you deal with them?

Answer:-

I am not temperamental by nature but there are times when even the most docile of people lose their tempers. Especially in a setting where law enforcement is involved. It might seem a bit childish but counting from one to ten takes the edge out of my behavior like a charm!

Question # 4

Can you explain how to manage working the night shift?

Answer:-

It is not too difficult when you are already rested during the day. I usually ask my employer to provide me with a day off in between so I can manage my sleep cycle well.

Question # 14

Suppose a difficult situation you faced and what strategies did you use to handle it?

Answer:-

Once I received an emergency call from the fifth floor while I was at the reception checking delegates of an important conference. Security staff was short and there was no one to attend the reception while I was gone upstairs. I responded to the situation effectively by initiating a lock down on the ground and fifth floor and updating the security sergeant regarding the situation immediately while on my way to the fifth floor.
