[Read More Answers.](#)

Question # 6

What experience you have in the field of quality audit?

Answer:-

Speak about specifics that relate to the position you are applying for. If you do not have specific experience, get as close as you can.

[Read More Answers.](#)

Question # 7

What have you done to improve your knowledge in previous year?

Answer:-

Try to include improvement activities that relate to the job. A wide variety of activities can be mentioned as positive self-improvement. Have some good ones handy to mention.

[Read More Answers.](#)

Question # 8

How would you describe a typical work week?

Answer:-

Interviewers expect a candidate for employment to discuss what they do while they are working in detail. Before you answer, consider the position you are applying for and how your current or past positions relate to it. The more you can connect your past experience with the job opening, the more successful you will be at answering the questions.

It should be obvious that it's not a good idea to talk about non-work related activities that you do on company time, but, I've had applicants tell me how they are often late because they have to drive a child to school or like to take a long lunch break to work at the gym.

Keep your answers focused on work and show the interviewer that you're organized the first thing I do on Monday morning is check my voice-mail and email, then I prioritize my activities for the week and efficient.

Question # 22

What we have to do after the audit?

Answer:-

- * Hold an auditors meeting to discuss the closing meeting content.
- * Hold a closing meeting with all auditees involved with the audit. First, point out what was done well. Second, address the nonconformances and ensure the auditees understand the nonconformances and what part of the standard is not met.
- * Issue the audit report in a timely manner.
- * Encourage auditees to decide on the corrective actions. Allowing auditees to have input will give them ownership in implementing changes.

Quality Audits Interview Questions And Answers

- * Assist those responsible for completing the corrective actions with setting reasonable deadlines. The corrective action deadlines may vary depending on the severity of the noncompliance.
- * Be available and willing to help the auditees.
- * Ask for feedback on how you and your audit team were perceived - adjust your approach if necessary.

[Read More Answers.](#)

Question # 23

How to involve people in an audit process?

Answer:-

Use audits as opportunities to train others. Ask for a volunteer (who is not an auditor) to walk through the audit process with you as an assistant. This will provide others with a better understanding of what audits are and why they are necessary. Invite all the auditees to the closing meeting. Having been an auditee, I know it helps to hear audit findings firsthand, the positive as well as the negative. Involving people creates a feeling that everyone is a vital contributor to the goal of the company - compliance.
