### **Question # 77**

What problems have you encountered at work?

#### **Answer:-**

Wow, do we have problems! Where do I begin? Well, most of the problems are internal, just people not working well with each other. I have one person on our team who is a real problem, but it seems like management is afraid to do anything about it. So we all end up having to do extra work to cover for this person, who just doesn't work. We all say that he's retired in place. I think he's just holding on until retirement in a couple years. But he's a real problem. I complain about it--a lot--but nothing ever seems to get done. I've even written negative reviews about the person, hoping he will get canned, but it doesn't happen. I can't wait for him to retire.

### **Question # 79**

If you had to choose one, would you consider yourself a big-picture person or a detail-oriented person?

#### **Answer:-**

Both are important. You need to stress that. However, if you could only choose one, ask yourself Regarding Relay Adjuster - do you like to be "in the weeds" with your work, or do you want to be the one painting the vision?

### **Question # 80**

What is your greatest weakness Regarding Relay Adjuster? What are you doing to improve it?

#### **Answer:-**

I believe my biggest weakness Regarding Relay Adjuster is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.
