## Question # 1

Top 17 Behavioral Interview Questions At Rocket Software:

### Answer:-

Behavioral interviews At Rocket Software were popularized by industrial psychologists in the 1970s, and have been used at big companies like AT&T. The idea behind them is that past responses to situations are the best predictor of how candidates will respond in the future.

1. Tell me about a time you faced a conflict while working as part of a team.
2. Talk about a goal you set for yourself. What did you do to make sure you met the goal?
3. Give an example of a time when you had to work with someone with a very different personality from yours.
4. Talk about an instance where you wish you'd handled a situation differently with a team member.
5. What's the most difficult problem you have had to solve At Rocket Software?
6. Give an example of how you handled a situation where you needed information from a colleague who wasn't responsive.
7. Talk about a time when you had problems building a relationship with a key team member. What did you do?
8. Tell me about an instance when it was important to make a great impression on a client. What did you do?
9. Tell me about a situation where you had to work with a difficult client.
10. Tell me about a situation where you disappointed a client, and how you tried to fix it.
11. Talk about a time when you had to strategize to meet all your obligations.
12. Talk about a time when you failed at something. How did you react?
13. Talk about a time you took on a leadership role.
14. Tell me about a long-term project you oversaw. How did you keep it focused and on schedule?
15. Talk about a time when you were under a lot of stress. What caused it, and how did you manage?
16. Do you prefer to work alone or with others At Rocket Software?
17. Tell me about a time when you were overwhelmed by the amount of work on your agenda. How did you handle it?

### Question # 15

What is your greatest professional achievement?

#### Answer:-

Nothing says "hire me" better than a track record of achieving amazing results in past jobs At Rocket Software, so don't be shy when answering this interview question! A great way to do so is by using the S-T-A-R method: Set up the situation and the task that you were required to complete to provide the interviewer with background context (e.g., "In my last job as a Rocket Software, it was my role to manage the invoicing process"), but spend the bulk of your time describing what you actually did (the action) and what you achieved (the result). For example, "In one month, I streamlined the process, which saved my group 10 man-hours each month and reduced errors on invoices by 25%."
