Question # 23

Do you ever take work home with you?

Answer:-

Here are two great sample answers that might help get you started:

* I am an extremely organized person, so I tend to be able to get my work done at work. However, if the need arose I would not be against taking work home. I try not to make it a habit, since I do value my free time. I do realize though that the work we do is important, and sometimes you have to do what needs to be done.

* I do not shy away from taking work home with me. I know that meeting deadlines and doing outstanding work sometimes means taking a bit of it home. I do not have a problem doing that when the need arises.

* Make sure to give an honest answer. Lying about taking work home may turn out badly for you if it is required and you do not do it.

Question # 25

What is your greatest failure As Rotary Drill Rig Operator, and what did you learn from it?

Answer:-

When I was in college, I took an art class to supplement my curriculum. I didn't take it very seriously, and assumed that, compared to my Engineering classes, it would be a walk in the park. My failing grades at midterm showed me otherwise. I'd even jeopardized my scholarship status. I knew I had to get my act together. I spent the rest of the semester making up for it, ended up getting a decent grade in the class. I learned that no matter what I'm doing, I should strive to do it to the best of my ability. Otherwise, it's not worth doing at all.

[Read More Answers.](#)

Question # 26

Do you work well on a team? How would you define teamwork?

Answer:-

I would define team work as getting the job done As Rotary Drill Rig Operator whether that means if I have to do more then the guy next to me as long as the work gets finished.

Question # 34

What is the most important lesson / skill you've learned from school?

Answer:-

Think of lessons learned in extra curricular activities, in clubs, in classes that had a profound impact on your personal development. For example, I had to lead a team of 5 people on a school project and learned to get people with drastically different personalities to work together as a team to achieve our objective.

[Read More Answers.](#)

Question # 35

How would your former employer describe you?

Answer:-

In all likelihood, the interviewer will actually speak with your former employer so honesty is key. Answer as confidently and positively as possible and list all of the positive things your past employer would recognize about you. Do not make the mistake of simply saying you are responsible, organized, and dependable. Instead, include traits that are directly related to your work as a medical assistant, such as the ability to handle stressful situations and difficult patients, the way you kept meticulous records, and more.

[Read More Answers.](#)

Question # 36

How important is a positive attitude to you?

Answer:-

Incredibly important. I believe a positive attitude is the foundation of being successful - it's contagious in the workplace, with our customers, and ultimately it's the difference maker.

[Read More Answers.](#)

Question # 37

What classes did you enjoy most in college and why?

Answer:-

Think back to the classes that either resonated with your passion or truly helped you to develop skills that you believe will help you in your career. Talk about those.

[Read More Answers.](#)

Question # 38

How meticulous are you with details?

Answer:-

Being detailed is important for many types of job roles. Typically you want to highlight how you've done that in previous roles. Example: "Being meticulous is important to me. In my last job, I had to count the money in the register as a cashier to make sure it matched to the receipts down to the last penny." This was to ensure there wasn't any "wrongdoing" at the company by any of the cashiers and I was always accurate in my reports.

[Read More Answers.](#)

Question # 39

What types of situations do you consider "unfixable"?

Answer:-

Most situations are "fixable" - the ones that are not are typically related to business ethics (someone is cheating the company, someone is stealing, etc)

[Read More Answers.](#)

Question # 40

How do you feel about technology at the workplace in general?

Answer:-

It's a great enabler for us to collaborate better as a team, for us to reach customers more efficiently and frequently and I believe it can help any company become more efficient, leaner, and more productive.

[Read More Answers.](#)

Question # 41

What do you like to do outside of work?

Answer:-

Interviewers ask personal questions in an interview to "see if candidates will fit in with the culture [and] give them the opportunity to open up and display their personality, too.". In other words, if someone asks about your hobbies outside of work, it's totally OK to open up and share what really makes you tick. (Do keep it semi-professional, though: Saying you like to have a few beers at the local hot spot on Saturday night is fine. Telling them that Monday is usually a rough day for you because you're always hungover is not.)

[Read More Answers.](#)

Question # 42

What are your personal skills which make you a candidate for the position As Rotary Drill Rig Operator?

Answer:-

The list of crucial character traits includes patience, tact, and poise, with personal and cultural sensitivity. One needs the ability to work long hours, with much walking and some physical tasks. But the most important trait of all is to love people and to have the desire to care for them.

[Read More Answers.](#)

Question # 43

What do you consider to be your weaknesses?

Answer:-

What your interviewer is really trying to do with this question-beyond identifying any major red flags-is to gauge your self-awareness and honesty. So, "I can't meet a deadline to save my life As Rotary Drill Rig Operator" is not an option-but neither is "Nothing! I'm perfect!" Strike a balance by thinking of something that you struggle with but that you're working to improve. For example, maybe you've never been strong at public speaking, but you've recently volunteered to run meetings to help you be more comfortable when addressing a crowd.

[Read More Answers.](#)

Question # 44

Suppose there are three light switches outside a room. Inside is a single light bulb, controlled by one of the three switches. You need to determine which switch operates the bulb. You can turn the switches on and off as many times as you wish (they are all off to begin with), but may only enter the room once. There is no one there to help you. The door to the room is closed, and there are no windows, so you cannot see inside. How can you discover which switch operates the bulb?

Answer:-

Do the following steps:

- * 1. Turn ON two switches, and leave one OFF.
- * 2. Wait a few minutes.
- * 3. Turn one switch from ON to OFF. One is now ON and two are OFF
- * 4. Enter the room. - If the light is ON, it is controlled by the switch you left ON. - If the light bulb is OFF, touch it. If it is warm it is controlled by the switch you turned ON and OFF. If it is cold, it is controlled by the switch you never turned on.

[Read More Answers.](#)

Question # 45

Why do you feel you will excel at this job?

Answer:-

[Rotary Drill Rig Operator Interview Questions And Answers](#)

This question presents an excellent opportunity for you to discuss your education, qualifications and personal traits. You might say something like "I studied property management as well as behavior during my college years and I have two years' experience in real estate. I can gauge the homes or apartments in which clients will be interested based solely upon the needs of their families. Finally, my organizational skills will allow me to schedule appointments or showings confidently and arrive for them punctually." This shows your interviewer that you have all of the skills necessary to become successful not only for yourself, but also for your employer.

[Read More Answers.](#)

Question # 46

What other companies are you interviewing at?

Answer:-

Be open and share if you are indeed interviewing elsewhere, but do it in a humble way. This way you don't seem arrogant and the interviewer knows your skills are valued by other companies. This also tends to make them want you more as they know they are competing for your services.

[Read More Answers.](#)

Question # 47

What is your desired salary As Rotary Drill Rig Operator?

Answer:-

Bad Answer: Candidates who are unable to answer the question, or give an answer that is far above market. Shows that they have not done research on the market rate, or have unreasonable expectations.

Good answer: A number or range that falls within the market rate and matches their level of mastery of skills required to do the job.

Question # 48

Explain an idea that you have had and have then implemented in practice?

Answer:-

Often an interview guide will outline the so-called 'STAR' approach for answering such questions; Structure the answer as a situation, task, action, and result: what the context was, what you needed to achieve, what you did, and what the outcome was as a result of your actions.

[Read More Answers.](#)

Question # 49

How do you think I rate as an interviewer?

Answer:-

I think you did fine. I'm sure you've conducted a lot of interviews, and it's probably second nature for you now. Thanks for taking the time to meet with me today. I'm sure you have a lot of things you have to juggle every day.

I'd say you rate at least ten out of ten. The questions you asked seemed spot on. I can tell you guys are working hard to find the perfect applicant for the job. I'm glad I could meet with you.

[Read More Answers.](#)

Question # 50

Do you have any questions for me?

Answer:-

Good interview questions to ask interviewers at the end of the job interview include questions on the company growth or expansion, questions on personal development and training and questions on company values, staff retention and company achievements.

[Read More Answers.](#)

Question # 51

Give me an example of an emergency situation that you faced. How did you handle it?

Answer:-

There was a time when one of my employers faced the quitting of a manager in another country. I was asked to go fill in for him while they found a replacement and stay to train that person. I would be at least 30 days. I quickly accepted because I knew that my department couldn't function without me.

[Read More Answers.](#)

Question # 52

How do you handle stressful situations?

Answer:-

By remaining calm, weighing out all my options and executing a plan to get the situation resolve .

[Read More Answers.](#)

Question # 53

What are your salary expectations As Rotary Drill Rig Operator?

Answer:-

This question is like a loaded gun, tricky and dangerous if you're not sure what you are doing. It's not uncommon for people to end up talking salary before really selling their skills, but knowledge is power as this is a negotiation after all. Again, this is an area where doing your research will be helpful as you will have an understanding of average salary.

Rotary Drill Rig Operator Interview Questions And Answers

One approach is asking the interviewer about the salary range, but to avoid the question entirely, you can respond that money isn't a key factor and your goal is to advance in your career. However, if you have a minimum figure in mind and you believe you're able to get it, you may find it worth trying.

Question # 62

Why should the we hire you as this position As Rotary Drill Rig Operator?

Rotary Drill Rig Operator Interview Questions And Answers

Answer:-

This is the part where you link your skills, experience, education and your personality to the job itself. This is why you need to be utterly familiar with the job description as well as the company culture. Remember though, it's best to back them up with actual examples of say, how you are a good team player.

[Read More Answers.](#)

Question # 63

What do you think is your greatest weakness?

Answer:-

Don't say anything that could eliminate you from consideration for the job. For instance, "I'm slow in adapting to change" is not a wise answer, since change is par for the course in most work environments. Avoid calling attention to any weakness that's one of the critical qualities the hiring manager is looking for. And don't try the old "I'm a workaholic," or "I'm a perfectionist."

[Read More Answers.](#)

Question # 64

How would you motivate your team members to produce the best possible results?

Answer:-

Trying to create competitive atmosphere, trying to motivate the team as a whole, organizing team building activities, building good relationships amongst people.

[Read More Answers.](#)

Question # 65

What features of your previous jobs have you disliked?

Answer:-

It's easy to talk about what you liked about your job in an interview, but you need to be careful when responding to questions about the downsides of your last position. When you're asked at a job interview about what you didn't like about your previous job, try not to be too negative. You don't want the interviewer to think that you'll speak negatively about this job or the company should you eventually decide to move on after they have hired you.

[Read More Answers.](#)

Question # 66

What would you like to have accomplished by the end of your career?

Answer:-

Think of 3 major achievements that you'd like to accomplish in your job when all is said and done - and think BIG. You want to show you expect to be a major contributor at the company. It could be creating a revolutionary new product, it could be implementing a new effective way of marketing, etc.

[Read More Answers.](#)

Question # 67

What types of personalities do you work with best?

Answer:-

In the past, I have found it difficult to work with others who see themselves as better than others, who can take criticism, and who refuse to work with others. I have found it challenging to work with them b/c I am a team oriented person who feels the importance of working together over the needs of the individual especially in a learning environment.

[Read More Answers.](#)

Question # 68

What is your greatest weakness As Rotary Drill Rig Operator? What are you doing to improve it?

Answer:-

I believe my biggest weakness As Rotary Drill Rig Operator is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[Read More Answers.](#)

Question # 69

What's a time you exercised leadership?

Answer:-

Depending on what's more important for the the role, you'll want to choose an example that showcases your project management skills (spearheading a project from end to end, juggling multiple moving parts) or one that shows your ability to confidently and effectively rally a team. And remember: "The best stories include enough detail to be believable and memorable,". Show how you were a leader in this situation and how it represents your overall leadership experience and potential.
