[Read More Answers.](#)

Question # 7

Sell me this pen?

Answer:-

Applicant should have the ability to pick out key features and benefits of a product and then "sell" them effectively under pressure.

[Read More Answers.](#)

Question # 8

Is delegation a way to dump failure on the shoulders of a subordinate or as a dynamic tool for motivating and training your team to realize their full potential?

Answer:-

Employee should see delegation as an effective management skill which allows staff to use and develop their skills and knowledge to their full potential. A cynical view of this skill is a warning sign.

[Read More Answers.](#)

Question # 9

If you decided to delegate what type of instructions would you give your staff?

Answer:-

Clear instructions with decisive standards; everyone should know what needs to be done, when it should be finished, and the quality/detail needed. A job seeker should delegate the objective, not the procedure.

[Read More Answers.](#)

Question # 10

Which steps you take to ensure that the work you delegate is successful?

Answer:-

Job seeker should explain he knows how to outline desired results, ask for progress reports, sets interim deadlines, and does not overly focus on the methodology.

[Read More Answers.](#)

Question # 11

Which are most common excuses team leaders use to not delegate?

Answer:-

They can do it better themselves, can't trust him/her to do it, he/she is not qualified enough, they don't want anymore added responsibilities, I don't have time to show anyone how to do it, No one to delegate to, I am the only one that can do it.

[Read More Answers.](#)

Question # 12

Tell me about a situation, which you tried to solve a problem with ideas and methods that had not been tried before?

Answer:-

You want to hear answers that show that the applicant can come up with genuine ideas to handle problems; someone that can think "Out of the box".

[Read More Answers.](#)

Question # 13

How you handle a conflict between you and higher management?

Answer:-

Job seeker should appear to be able to reason logically and forcibly argue for what is best for the company, should be respectful to, but not intimidated by higher management.

[Read More Answers.](#)

Question # 14

Can you handle negative feedback from very angry clients?

Answer:-

Applicant should be able to manage customer complaints without being dominated; should not be over-whelmed by a disapproving customer.

[Read More Answers.](#)

Question # 15

Have you ever tried a new way of doing things?

Answer:-

[Read More Answers.](#)

Question # 24

Sell me this object?

Answer:-

You might be asked to sell the interviewer an apple, a pen, a stapler or some other object. As with other hypothetical questions, there will be no right answer but the employer will be interested in the sales process that you follow, your verbal and communication skills, and your enthusiasm and creativity.

[Read More Answers.](#)

Question # 25

Have you always met your sales goals?

Answer:-

The only time I wasn't able to meet my professional sales goals was at a company where my supervisor set the goals extremely high, and none of the salesmen in our department were able to achieve them. Setting the goals so high was his method of keeping us motivated, and unfortunately it worked to demoralize the team instead. I have always at least met my personal goals, and I work very hard to exceed them.

[Read More Answers.](#)

Question # 26

What should you assume about your co-workers if you want to delegate successfully?

Answer:-

Job seeker should be able to view the positive potential of co-workers; does not rule out the possibility that a co-worker may want more responsibility; co-workers want to learn more; job seeker should recognize that the short term training investment will pay off in the long term.

[Read More Answers.](#)

Question # 27

Are you comfortable with making cold calls?

Answer:-

I am comfortable making cold calls. I have found that some of my most interesting sales have been the result of a cold call, to someone who was rather unsure of their interest in my product at our first meeting.

[Read More Answers.](#)

Question # 28

What makes a sales person good seller?

Answer:-

I am very detail oriented, and that helps me in sales in many ways. I make sure that I know everything there is to know about the product I'm selling, so that I can answer any questions a customer may have to their satisfaction. I also like to know my territory in and out, and I like to find out about my customers personally, so I can better serve them.

[Read More Answers.](#)

Question # 29

How you rate yourself as a salesperson on a scale from 1 to 10?

Answer:-

A very low rating suggests poor self-belief. Too high of a rating may suggest a level of arrogance that may be resistant to suggestions of improvement. However, if they can explain why they deserve a high rating then they may just be confident and aware of their selling skills.

[Read More Answers.](#)

Question # 30

What is your psychology of selling?

Answer:-

Candidate should be well-versed and concise in describing his/her view of the entire structure of selling from qualifying a prospect, to handling objections, to closing.

[Read More Answers.](#)

Question # 31

What are the basic powerful sales ability skills?

Answer:-

To succeed in sales remember these three listening and relationship building skills:

- 1) Sincerity - Listen without an agenda, it's not about your needs.
- 2) Ethics - Don't try to talk someone into something, listen to what they want.
- 3) Asking - Serve others by asking questions that will assist them in making a wise buying decision.
