Steel Mill Recorder Job Interview Preparation Guide.

Question # 1

The change in the business industry now requires you to have a new set of skills you have to learn, how do you react to that?

Answer:-

First, find out which skills are the ones that you're currently lacking. Then identify what the steps would be to acquire/build those skills. Then take action to do so.

[Read More Answers.](#)

Question # 2

How do you believe you would benefit our organization?

Answer:-

This is a great question that provides you the opportunity to put your best foot forward, to tell the interviewer why he or she should consider hiring you for the job. Make sure you're well prepared for this question as you won't likely get a second chance to really shine.

[Read More Answers.](#)

Question # 3

What has disappointed you about a previous job?

Answer:-

Again, this question could get you in trouble so tread carefully. Some good answers might be that your previous job didn't provide any room for growth, that you were laid off due to a mandatory reduction in staff, that they closed their office in your state and required you to relocate, etc. Make sure not to mention anything negative about the people you worked with, the company in general or the job itself.

[Read More Answers.](#)

Question # 4

Are you good at working in a team As Steel Mill Recorder?

Answer:-

Before you answer, consider how you best contribute to a team:

- * Do you get along easily with people?
- * Are you an effective collaborator?
- * Can you communicate with people from various backgrounds and with different personalities?
- * Can you motivate people?
- * Do you know how to push back tactfully?
- * Can you mediate conflicts?
- * Can you deal with difficult personalities?

[Read More Answers.](#)

Question # 5

Why are you leaving last job?

Answer:-

Although this would seem like a simple question, it can easily become tricky. You shouldn't mention salary being a factor at this point As Steel Mill Recorder. If you're currently employed, your response can focus on developing and expanding your career and even yourself. If you're current employer is downsizing, remain positive and brief. If your employer fired you, prepare a solid reason. Under no circumstance should you discuss any drama or negativity, always remain positive.

[Read More Answers.](#)

Question # 6

Where do you see your career in five years As Steel Mill Recorder?

Answer:-

I would like to retire from this company. I would like to make a difference in the company whether in the company or any other position or area of the company As Steel Mill Recorder.

Question # 7

When were you most satisfied in your job As Steel Mill Recorder?

Answer:-

I'm a people person. I was always happiest and most satisfied when I was interacting with community residents, making sure I was able to meet their needs and giving them the best possible comfort in a tough situation. It was my favorite part of the job, and it showed. Part of the reason I'm interested in this job is that I know I'd have even more interaction with the public, on an even more critical level.

[Read More Answers.](#)

Question # 8

Have you ever you have been in a position As Steel Mill Recorder where you've had to fire someone? How did you feel about that experience?

Answer:-

Be very thoughtful about your answer. This is a very serious matter for most companies and requires a very serious answer. You need to express that you will do it when it is the right thing to do but you don't want to give the impression that you're callous to the process. Don't forget that firing is not the same as laying someone off - it typically is for the direct benefit of the company.

[Read More Answers.](#)

Question # 9

Why do you want this job As Steel Mill Recorder?

Answer:-

This question typically follows on from the previous one. Here is where your research will come in handy. You may want to say that you want to work for a company that is Global Guideline, (market leader, innovator, provides a vital service, whatever it may be). Put some thought into this beforehand, be specific, and link the company's values and mission statement to your own goals and career plans.

[Read More Answers.](#)

Question # 10

Are you willing to work overtime or odd hours?

Answer:-

Be completely honest. You don't want to lie to get the job if you're not going to work the hours required.

[Read More Answers.](#)

Question # 11

How much are you willing to sacrifice to be successful at work As Steel Mill Recorder?

Answer:-

With anything comes sacrifice. The questions is how much of it are you willing to sacrifice with regards to work life balance, stress, etc?

[Read More Answers.](#)

Question # 12

How did you hear about the position As Steel Mill Recorder?

Answer:-

Another seemingly innocuous interview question, this is actually a perfect opportunity to stand out and show your passion for and connection to the company and for job As Steel Mill Recorder. For example, if you found out about the gig through a friend or professional contact, name drop that person, then share why you were so excited about it. If you discovered the company through an event or article, share that. Even if you found the listing through a random job board, share what, specifically, caught your eye about the role.

[Read More Answers.](#)

Question # 13

Tell me about yourself?

Answer:-

There are some questions that your potential employer aren't allowed to ask (but trust me, they probably want to). For instance, they shouldn't really ask about your family or how far away you live from your potential place of employment. If you can find a way to answer these questions anyway (with the answers they want to hear), that will give them a little added info to help them make the (right) decision!

[Read More Answers.](#)

Question # 14

Tell me about a time you had to fire a friend?

Answer:-

Hopefully you've never had to do this, but if you did, talk about how hard it was personally to fire anyone but that you did it objectively.

[Read More Answers.](#)

Question # 15

If you have multiple projects on your plate, how do you handle completing them on time?

Steel Mill Recorder Interview Questions And Answers

Answer:-

Prioritize based on business importance. Set clear timelines for each so that you know which ones to knock out first. Get your teammates to help if necessary.

[Read More Answers.](#)

Question # 16

What motivates you?

Answer:-

I've always been motivated by the challenge - in my last role, I was responsible for training our new recruits and having a 100% success rate in passing scores. I know that this job is very fast-paced and I'm more than up for the challenge. In fact, I thrive on it.

[Read More Answers.](#)

Question # 17

Explain me about a problem or disagreement you had with previous supervisor?

Answer:-

This question is trap. It is meant to see whether or not you'll speak poorly of an employer. No one wants to hire someone who's going to speak poorly of them down the road. Stay upbeat and positive - and most of all don't say anything negative about a previous employer.

Question # 18

Basic 15 Interview Questions that Test Communication Skills As Steel Mill Recorder:

Answer:-

For most jobs, communication skills As Steel Mill Recorder are important. It's hard to work as a team if people aren't communicating well.

At some jobs, like customer service or sales, communication skills are an absolute essential.

These questions are meant to help gauge a candidate's ability to communicate.

1. How do you prefer to build rapport with others?
2. How would you go about simplifying a complex issue in order to explain it to a client or colleague?
3. How would you go about persuading someone to see things your way at work?
4. How would you go about explaining a complex idea/problem to a client who was already frustrated?
5. What would you do if you there was a breakdown in communication at work?
6. Talk about a successful presentation you gave and why you think it did well.
7. How would you explain a complicated technical problem to a colleague with less technical understanding?
8. Do you prefer written or verbal communication As Steel Mill Recorder?
9. Describe a time when you had to be careful talking about sensitive information. How did you do it?
10. What would you do if you misunderstood an important communication on the job?
11. Talk about a time when you made a point that you knew your colleagues would be resistant to.
12. Is it more important to be a good listener or a good communicator As Steel Mill Recorder?
13. Tell me about a time you had to relay bad news to a client or colleague.
14. Rate your communication skills on a scale of 1 to 10. Give examples of experiences that demonstrate the rating is accurate.
15. How have you handled working under someone you felt was not good at communicating?

[Read More Answers.](#)

Question # 19

What is your typical way of dealing with conflict? Give me an example?

Answer:-

First, find out what the root of the problem is. Second, determine the best steps to remediation with the best possible outcome. Third, take action to put remediation plans in place.

[Read More Answers.](#)

Question # 20

What would your previous employer say is your greatest strength?

Answer:-

Be prepared for this question. If you have to sit and think about it it's going to appear as if you're not sure or that you've never identified your own value in the work place - not good. You don't have to have a complex response. Keep it simple and honest. For example, several possibilities could be Leadership, Problem solving ability, Initiative, Energy, Work ethic, Innovative, etc., etc.

[Read More Answers.](#)

Question # 21

Tell me about a time when you successfully handled a situation?

Answer:-

For this question, the interviewer wants to know what you do in a situation that doesn't have a clear answer. This will help the interviewer know how you respond to unforeseen challenges.

[Read More Answers.](#)

Question # 22

If you were given more initiatives than you could handle, what would you do?

Answer:-

Steel Mill Recorder Interview Questions And Answers

First prioritize the important activities that impact the business most. Then discuss the issue of having too many initiatives with the boss so that it can be offloaded. Work harder to get the initiatives done.

[Read More Answers.](#)

Question # 23

What is your greatest strength As Steel Mill Recorder?

Answer:-

This is your time to shine. Just remember the interviewer is looking for work related strengths As Steel Mill Recorder. Mention a number of them such as being a good motivator, problem solver, performing well under pressure, being loyal, having a positive attitude, eager to learn, taking initiative, and attention to detail. Whichever you go for, be prepared to give examples that illustrate this particular skill.

[Read More Answers.](#)

Question # 24

Tell us about a typical day at work. How does it start? What do you do?

Answer:-

At the beginning of each day, I inspect the work site to make sure that it is hazard-free. Once the work site is secured, I verify that all tools and equipment are adequate in supply. As soon as the work orders are delivered, I provide workers with security guidelines and carry out drills. During the workday, it is my duty to monitor workers to ensure that they are working according to the enforced safety policies and that any problems or accidents are quickly addressed.

[Read More Answers.](#)

Question # 25

How do you feel about this company's vision?

Answer:-

First find out where the company envisions itself in 3-5 years. If you can't find the vision of the company, that's probably a big question mark on the company itself. Once you do, identify how those company's visions align to your personal values and goals and then articulate how tightly correlated that is to the interviewer. For example - this company wants to be the #1 provider of green technology in the world and I feel strongly about that vision because we've got a chance to collectively impact the world to become a greener society and save our clients at the same time!

[Read More Answers.](#)

Question # 26

Who are your role models? Why?

Answer:-

If possible, cite role models you're truly passionate about - passion is contagious and will show you're being genuine. If the role model is in the same or similar industry as the company in an executive level position, even better.

[Read More Answers.](#)

Question # 27

What type of extracurricular activities are you a part of?

Answer:-

Discuss the clubs / activities you were in, share a personal story about why you enjoyed it and then describe how it's helped shape you to be who you are today. For example, I enjoyed rock climbing because it taught me the value of practicing hard at a sport to become skilled in it. I bring this same diligence to my work approach today as well.

[Read More Answers.](#)

Question # 28

Why are you the best fit for this job As Steel Mill Recorder?

Answer:-

Analyze the job responsibilities and match those to your skills sets. Then discuss how your experience and skills sets can truly create the best impact to the company in that specific job role. Impact could mean marketing impressions, sales, cutting costs, making products more efficiently, creating better customer service, engineering new designs that create customer excitement, etc.

[Read More Answers.](#)

Question # 29

Why were you fired?

Answer:-

OK, if you get the admittedly much tougher follow-up question as to why you were let go (and the truth isn't exactly pretty), your best bet is to be honest (the job-seeking world is small, after all). But it doesn't have to be a deal-breaker. Share how you've grown and how you approach your job and life now as a result. If you can position the learning experience as an advantage for this next job, even better.

[Read More Answers.](#)

Question # 30

What skills do you bring to the table?

Answer:-

Think of your skill sets with regards to: analytical skills, interpersonal skills, communication skills, computer skills, presentation skills, management skills, sales

Steel Mill Recorder Interview Questions And Answers

skills and so forth.

[Read More Answers.](#)

Question # 31

Do you have the ability to articulate a vision and to get others involved to carry it out?

Answer:-

If yes, then share an example of how you've done so at work or college. If not, then discuss how you would do so. Example: "I would first understand the goals of the staff members and then I would align those to the goals of the project / company. Then I would articulate the vision of that alignment and ask them to participate. From there, we would delegate tasks among the team and then follow up on a date and time to ensure follow through on the tasks. Lastly, we would review the results together."

[Read More Answers.](#)

Question # 32

What do you know about our competition?

Answer:-

Make sure you do your research on their competitors. You can find this by going to yahoo finance and click on their competitors (if they are public). From there research the news on them and go to their websites to understand their positioning on solutions and vision. You can also research local regional companies that are their competition (if it's a smaller private company on a regional scale) by simply typing in similar product offerings in the Google search followed by the city. Make sure you know their competitor's vision, products, culture, and how they are differentiated against their competition (and if they're not, how they could be)

[Read More Answers.](#)

Question # 33

How have you shown yourself to be a leader?

Answer:-

Think about a time where you've rallied a group of people around a cause / idea / initiative and successfully implemented it. It could be a small or large project but the key is you want to demonstrate how you were able to lead others to work for a common cause.

[Read More Answers.](#)

Question # 34

What are your presentation skills like As Steel Mill Recorder?

Answer:-

Make sure you share a story that demonstrates your presentation skills in front of many people. If you are really brave, offer to give a snippet of that presentation to the interviewer. This will definitely be different from what most people do.

[Read More Answers.](#)

Question # 35

Describe a time where you've failed and bounced back?

Answer:-

Share a story to describe this. For example: "I accidentally made the mistake of telling a customer I could deliver on a solution set on a certain date and then later found out our business partner couldn't do it on that time. I learned that I shouldn't rush into important decisions and promises like this and that I should always check with my counterparts first before committing to a statement of work."

[Read More Answers.](#)

Question # 36

What are your thoughts on social media for this role?

Answer:-

Without a doubt, social media is becoming more and more pervasive in our jobs. You should stress that social media is not appropriate for personal use at work. However, if the company embraces social media in certain departments (for example marketing), then you may want to discuss how you could use it for work (as long as it applies to your role).

[Read More Answers.](#)

Question # 37

What is the most important lesson / skill you've learned from school?

Answer:-

Think of lessons learned in extra curricular activities, in clubs, in classes that had a profound impact on your personal development. For example, I had to lead a team of 5 people on a school project and learned to get people with drastically different personalities to work together as a team to achieve our objective.

[Read More Answers.](#)

Question # 38

What types of situations do you consider "unfixable"?

Answer:-

Most situations are "fixable" - the ones that are not are typically related to business ethics (someone is cheating the company, someone is stealing, etc)

Steel Mill Recorder Interview Questions And Answers

Question # 39

Do you like being around people?

Answer:-

People skills are a necessity for medical assistants. When answering this question, be sure to show that you enjoy interacting and working with others and that you also derive great enjoyment from helping others. This will show that you are a team player and that you would be a valuable team member As Steel Mill Recorder.

[Read More Answers.](#)

Question # 40

What do you consider to be your weaknesses?

Answer:-

What your interviewer is really trying to do with this question-beyond identifying any major red flags-is to gauge your self-awareness and honesty. So, "I can't meet a deadline to save my life As Steel Mill Recorder" is not an option-but neither is "Nothing! I'm perfect!" Strike a balance by thinking of something that you struggle with but that you're working to improve. For example, maybe you've never been strong at public speaking, but you've recently volunteered to run meetings to help you be more comfortable when addressing a crowd.

[Read More Answers.](#)

Question # 41

What is your greatest strength? How does it help you As Steel Mill Recorder?

Answer:-

One of my greatest strengths, and that I am a diligent worker... I care about the work getting done.. I am always willing to help others in the team.. Being patient helps me not jump to conclusions... Patience helps me stay calm when I have to work under pressure.. Being a diligent worker.. It ensures that the team has the same goals in accomplishing certain things.

[Read More Answers.](#)

Question # 42

What type of personalities do you work best with and why?

Answer:-

Think of which personalities you work best with (do you like outgoing, collaborative, personable working relationships and so forth?)

[Read More Answers.](#)

Question # 43

Explain a time when you did not get along with your coworker?

Answer:-

I used to lock heads with a fellows. We disagreed over a lot of things - from the care of civilians to who got what shifts to how to speak with a victim's family. Our personalities just didn't mesh. After three months of arguing, I pulled her aside and asked her to lunch. At lunch, we talked about our differences and why we weren't getting along. It turns out, it was all about communication. We communicated differently and once we knew that, we began to work well together. I really believe that talking a problem through with someone can help solve any issue.

[Read More Answers.](#)

Question # 44

Have you ever been fired and if yes, why?

Answer:-

Answer this as positively as possible and try to avoid disparaging the company you had previously worked for. The key is to accept the fact that yes, you were fired, but you've learned from the mistakes that got you there and you're better now because of it. If you haven't been fired, well, then this question's a piece of cake isn't it?

[Read More Answers.](#)

Question # 45

What can you tell me about team work as part of the job As Steel Mill Recorder?

Answer:-

There is usually a team of staff nurses working in cooperation with each other. A team of nurses has to get along well and coordinate their actions, usually by dividing their responsibilities into sectors or specific activities. They help each other perform tasks requiring more than one person.

[Read More Answers.](#)

Question # 46

What challenges are you looking for in this position?

Answer:-

A typical interview question to determine what you are looking for your in next job, and whether you would be a good fit for the position being hired for, is "What challenges are you looking for in a position As Steel Mill Recorder?" The best way to answer questions about the challenges you are seeking is to discuss how you would like to be able to effectively utilize your skills and experience if you were hired for the job. You can also mention that you are motivated by challenges, have the ability to effectively meet challenges, and have the flexibility and skills necessary to handle a challenging job. You can continue by describing specific examples of challenges you have met and goals you have achieved in the past.

[Read More Answers.](#)

Question # 47

Steel Mill Recorder Interview Questions And Answers

What do you like to do outside of work?

Answer:-

Interviewers ask personal questions in an interview to "see if candidates will fit in with the culture [and] give them the opportunity to open up and display their personality, too.". In other words, if someone asks about your hobbies outside of work, it's totally OK to open up and share what really makes you tick. (Do keep it semi-professional, though: Saying you like to have a few beers at the local hot spot on Saturday night is fine. Telling them that Monday is usually a rough day for you because you're always hungover is not.)

[Read More Answers.](#)

Question # 48

What did you major in and why?

Answer:-

Tell them your major and the motivations behind why you chose it and how it's helped to prep you for this potential job.

[Read More Answers.](#)

Question # 49

What type of work environment do you prefer?

Answer:-

Ideally one that's similar to the environment of the company you're applying to. Be specific.

[Read More Answers.](#)

Question # 50

Do you think you have enough experience As Steel Mill Recorder?

Answer:-

If you do not have the experience they need, you need to show the employer that you have the skills, qualities and knowledge that will make you equal to people with experience but not necessary the skills. It is also good to add how quick you can pick up the routine of a new job role.

[Read More Answers.](#)

Question # 51

Do you have any questions for me?

Answer:-

Good interview questions to ask interviewers at the end of the job interview include questions on the company growth or expansion, questions on personal development and training and questions on company values, staff retention and company achievements.

[Read More Answers.](#)

Question # 52

What do you think is your greatest weakness?

Answer:-

Don't say anything that could eliminate you from consideration for the job. For instance, "I'm slow in adapting to change" is not a wise answer, since change is par for the course in most work environments. Avoid calling attention to any weakness that's one of the critical qualities the hiring manager is looking for. And don't try the old "I'm a workaholic," or "I'm a perfectionist."

[Read More Answers.](#)

Question # 53

What do you know about the company?

Answer:-

Any candidate can read and regurgitate the company's "About" page. So, when interviewers ask this, they aren't necessarily trying to gauge whether you understand the mission they want to know whether you care about it. Start with one line that shows you understand the company's goals, using a couple key words and phrases from the website, but then go on to make it personal. Say, "I'm personally drawn to this mission because..." or "I really believe in this approach because..." and share a personal example or two.

[Read More Answers.](#)

Question # 54

Why do you want to work As Steel Mill Recorder for this organisation?

Answer:-

Being unfamiliar with the organisation will spoil your chances with 75% of interviewers, according to one survey, so take this chance to show you have done your preparation and know the company inside and out. You will now have the chance to demonstrate that you've done your research, so reply mentioning all the positive things you have found out about the organisation and its sector etc. This means you'll have an enjoyable work environment and stability of employment etc - everything that brings out the best in you.

[Read More Answers.](#)

Question # 55

Why are you leaving your current job?

Answer:-

Steel Mill Recorder Interview Questions And Answers

This is a toughie, but one you can be sure you'll be asked. Definitely keep things positive-you have nothing to gain by being negative about your past employers. Instead, frame things in a way that shows that you're eager to take on new opportunities and that the role you're interviewing for is a better fit for you than your current or last position. For example, "I'd really love to be part of product development from beginning to end, and I know I'd have that opportunity here." And if you were let go? Keep it simple: "Unfortunately, I was let go," is a totally OK answer.

[Read More Answers.](#)

Question # 56

What do you think we could do better or differently?

Answer:-

This is a common one at startups. Hiring managers want to know that you not only have some background on the company, but that you're able to think critically about it and come to the table with new ideas. So, come with new ideas! What new features would you love to see? How could the company increase conversions? How could customer service be improved? You don't need to have the company's four-year strategy figured out, but do share your thoughts, and more importantly, show how your interests and expertise would lend themselves to the job.

[Read More Answers.](#)

Question # 57

What would your first 30, 60, or 90 days look like in this role As Steel Mill Recorder?

Answer:-

Start by explaining what you'd need to do to get ramped up. What information would you need? What parts of the company would you need to familiarize yourself with? What other employees would you want to sit down with? Next, choose a couple of areas where you think you can make meaningful contributions right away. (e.g., "I think a great starter project would be diving into your email marketing campaigns and setting up a tracking system for them.") Sure, if you get the job, you (or your new employer) might decide there's a better starting place, but having an answer prepared will show the interviewer where you can add immediate impact-and that you're excited to get started.

[Read More Answers.](#)

Question # 58

Give an example of a time you successfully worked As Steel Mill Recorder on a team?

Answer:-

On the whole I prefer to stick to doing what I'm told rather than setting myself up to fail by doing things off my own bat. But there was this one time when I suggested to my boss at the pizza parlor that she try offering an 'all you can eat' deal to students to boost trade on Mondays. She thought it was an interesting idea but nothing ever came of it.

[Read More Answers.](#)

Question # 59

Do you have good computer skills?

Answer:-

It is becoming increasingly important for medical assistants to be knowledgeable about computers. If you are a long-time computer user with experience with different software applications, mention it. It is also a good idea to mention any other computer skills you have, such as a high typing rate, website creation, and more.

[Read More Answers.](#)

Question # 60

Why should the we hire you as this position As Steel Mill Recorder?

Answer:-

This is the part where you link your skills, experience, education and your personality to the job itself. This is why you need to be utterly familiar with the job description as well as the company culture. Remember though, it's best to back them up with actual examples of say, how you are a good team player.

[Read More Answers.](#)

Question # 61

What was the most important task you ever had?

Answer:-

There are two common answers to this question that do little to impress recruiters:

* 'I got a 2.1'

* 'I passed my driving test'

No matter how proud you are of these achievements, they don't say anything exciting about you. When you're going for a graduate job, having a degree is hardly going to make you stand out from the crowd and neither is having a driving licence, which is a requirement of many jobs.

[Read More Answers.](#)

Question # 62

What is your greatest weakness As Steel Mill Recorder? What are you doing to improve it?

Answer:-

I believe my biggest weakness As Steel Mill Recorder is wanting to help anyone I can help. What I mean is I am willing to take on task that are not my job. I want to learn all I can. However, that has helped me get promoted or even asked to help in times of need in other department. I have been know as the "go to person" when help is needed.

[Read More Answers.](#)

Question # 63

How would you define success?

Answer:-

Success is defined differently for everybody. Just make sure the parameters are defined by you with regards to work life balance, financial gain, career growth, achievements, creating meaningful work / products and so forth. If you can clearly articulate what it means to you that is a strong answer.

[Read More Answers.](#)

Question # 64

What are three positive things your last boss would say about you?

Answer:-

It's time to pull out your old performance appraisals and boss's quotes. This is a great way to brag about yourself through someone else's words: "My boss has told me that I am the best designer he has ever had. He knows he can rely on me, and he likes my sense of humor."

[Read More Answers.](#)

Question # 65

How do you keep each member of the team involved and motivated?

Answer:-

Many managers mistakenly think that money is the prime motivator for their employees. However, according to surveys by several different companies, money is consistently ranked five or lower by most employees. So if money is not the best way to motivate your team, what is?

Employees' three most important issues according to employees are:

- * Respect
- * A sense of accomplishment
- * Recognition

[Read More Answers.](#)

Question # 66

What features of your previous jobs have you disliked?

Answer:-

It's easy to talk about what you liked about your job in an interview, but you need to be careful when responding to questions about the downsides of your last position. When you're asked at a job interview about what you didn't like about your previous job, try not to be too negative. You don't want the interviewer to think that you'll speak negatively about this job or the company should you eventually decide to move on after they have hired you.

[Read More Answers.](#)

Question # 67

Do you like to start personal relationships with other employees?

Answer:-

Well, the right answer is yes and no. Good personal relations can improve the overall performance of a team. But on the other hand, you should not let your emotions to affect your decisions in work.

[Read More Answers.](#)

Question # 68

How would you motivate your team members to produce the best possible results?

Answer:-

Trying to create competitive atmosphere, trying to motivate the team as a whole, organizing team building activities, building good relationships amongst people.

Question # 72

How have you changed in the last five years?

Answer:-

All in a nutshell. But I think I've attained a level of personal comfort in many ways and although I will change even more in the next 5-6 years I'm content with the past 6 and what has come of them.
