# Supervisor Computer Operations Job Interview Preparation Guide.

## Question # 1

Can you explain why you changed career paths As Supervisor Computer Operations?

### Answer:-

Don't be thrown off by this question-just take a deep breath and explain to the hiring manager why you've made the career decisions As Supervisor Computer Operations you have. More importantly, give a few examples of how your past experience is transferable to the new role. This doesn't have to be a direct connection; in fact, it's often more impressive when a candidate can make seemingly irrelevant experience seem very relevant to the role.

## Question # 4

What is your biggest weakness As Supervisor Computer Operations?

### Answer:-

No one likes to answer this question because it requires a very delicate balance. You simply can't lie and say you don't have one; you can't trick the interviewer by offering up a personal weakness As Supervisor Computer Operations that is really a strength ("Sometimes, I work too much and don't maintain a work-life balance."); and you shouldn't be so honest that you throw yourself under the bus ("I'm not a morning person so I'm working on getting to the office on time.")

[Read More Answers.](#)

## Question # 5

What motivates you?

### Answer:-

I've always been motivated by the challenge - in my last role, I was responsible for training our new recruits and having a 100% success rate in passing scores. I know that this job is very fast-paced and I'm more than up for the challenge. In fact, I thrive on it.

### **Question # 11**

What are your salary requirements As Supervisor Computer Operations?

#### **Answer:-**

The #1 rule of answering this question is doing your research on what you should be paid by using site like Global Guideline. You'll likely come up with a range, and we recommend stating the highest number in that range that applies, based on your experience, education, and skills. Then, make sure the hiring manager knows that you're flexible. You're communicating that you know your skills are valuable, but that you want the job and are willing to negotiate.

[Read More Answers.](#)

### **Question # 12**

What other companies are you interviewing with?

#### **Answer:-**

Companies ask this for a number of reasons, from wanting to see what the competition is for you to sniffing out whether you're serious about the industry. "Often the best approach is to mention that you are exploring a number of other similar options in the company's industry." It can be helpful to mention that a common characteristic of all the jobs you are applying to is the opportunity to apply some critical abilities and skills that you possess. For example, you might say 'I am applying for several positions with IT consulting firms where I can analyze client needs and translate them to development teams in order to find solutions to technology problems.'

### **Question # 23**

What's a time you exercised leadership?

### **Answer:-**

Depending on what's more important for the the role, you'll want to choose an example that showcases your project management skills (spearheading a project from end to end, juggling multiple moving parts) or one that shows your ability to confidently and effectively rally a team. And remember: "The best stories include enough detail to be believable and memorable,". Show how you were a leader in this situation and how it represents your overall leadership experience and potential.

[Read More Answers.](#)

### **Question # 24**

Where do you see yourself professionally five years from now As Supervisor Computer Operations?

#### **Answer:-**

Demonstrate both loyalty and ambition in the answer to this question. After sharing your personal ambition, it may be a good time to ask the interviewer if your ambitions match those of the company.

[Read More Answers.](#)

### **Question # 25**

Are you planning to continue your studies and training As Supervisor Computer Operations?

#### **Answer:-**

If asked about plans for continued education, companies typically look for applicants to tie independent goals with the aims of the employer. Interviewers consistently want to see motivation to learn and improve. Continuing education shows such desires, especially when potentials display interests in academia potentially benefiting the company.

Answering in terms of "I plan on continuing my studies in the technology field," when offered a question from a technology firm makes sense. Tailor answers about continued studies specific to desired job fields. Show interest in the industry and a desire to work long-term in said industry. Keep answers short and to the point, avoiding diatribes causing candidates to appear insincere.

### Question # 40

Top 17 Behavioral Interview Questions As Supervisor Computer Operations:

#### Answer:-

Behavioral interviews As Supervisor Computer Operations were popularized by industrial psychologists in the 1970s, and have been used at big companies like AT&T. The idea behind them is that past responses to situations are the best predictor of how candidates will respond in the future.

1. Tell me about a time you faced a conflict while working as part of a team.
2. Talk about a goal you set for yourself. What did you do to make sure you met the goal?
3. Give an example of a time when you had to work with someone with a very different personality from yours.
4. Talk about an instance where you wish you'd handled a situation differently with a team member.
5. What's the most difficult problem you have had to solve As Supervisor Computer Operations?
6. Give an example of how you handled a situation where you needed information from a colleague who wasn't responsive.
7. Talk about a time when you had problems building a relationship with a key team member. What did you do?
8. Tell me about an instance when it was important to make a great impression on a client. What did you do?
9. Tell me about a situation where you had to work with a difficult client.
10. Tell me about a situation where you disappointed a client, and how you tried to fix it.
11. Talk about a time when you had to strategize to meet all your obligations.
12. Talk about a time when you failed at something. How did you react?
13. Talk about a time you took on a leadership role.
14. Tell me about a long-term project you oversaw. How did you keep it focused and on schedule?
15. Talk about a time when you were under a lot of stress. What caused it, and how did you manage?
16. Do you prefer to work alone or with others As Supervisor Computer Operations?
17. Tell me about a time when you were overwhelmed by the amount of work on your agenda. How did you handle it?

### Question # 41

Top 13 Situational Interview Questions As Supervisor Computer Operations:

#### Answer:-

Situational interviews As Supervisor Computer Operations are similar to behavioral interview questions - but they are focused on the future, and ask hypothetical questions, whereas behavioral interview questions look at the past.

The advantage is that employers can put all candidates in the same hypothetical situations, and compare their answers.

1. What would you do if you made a strong recommendation in a meeting, but your colleagues decided against it?
2. How you would handle it if your team resisted a new idea or policy you introduced?
3. How would you handle it if the priorities for a project you were working on were suddenly changed?
4. What would you do if the work of an employee you managed didn't meet expectations?
5. What would you do if an important task was not up to standard, but the deadline to complete it had passed?
6. What steps would you take to make an important decision on the job As Supervisor Computer Operations?
7. How would you handle a colleague you were unable to form a positive relationship with?
8. What would you do if you disagreed with the way a manager wanted you to handle a problem?
9. What would you do if you were assigned to work with a difficult client As Supervisor Computer Operations?
10. What would you do if you worked hard on a solution to a problem, and your solution was criticized by your team?
11. How would you handle working closely with a colleague who was very different from you?
12. You're working on a key project that you can't complete, because you're waiting on work from a colleague. What do you do?
13. You realize that an early mistake in a project is going to put you behind deadline. What do you do?

**Question # 63**

What do you think of your previous boss?

**Answer:-**

Do not belittle or talk badly of your last boss - it will come off as being petty. Instead, talk about the positive lessons you were able to learn from your last boss.

[Read More Answers.](#)

**Question # 64**

How do you feel about taking no for an answer?

**Answer:-**

It's good to be persistent, but not overbearing. Everyone will face rejection at some point in their life, so at some point you'll have to take no for an answer but then learn why you were turned down.

[Read More Answers.](#)

**Question # 65**

What kind of car do you drive?

**Answer:-**

The only time this might matter is if the job requires a certain type of car because of the responsibilities. For example, if you need to load a lot of construction materials into your car, you'll probably need a truck.

[Read More Answers.](#)

**Question # 66**

If I were to give you this salary you requested but let you write your job description for the next year, what would it say?

**Answer:-**

It should say the same thing - after all - if you think this salary is fair then it should suit the responsibilities!

[Read More Answers.](#)

**Question # 67**

How would you go about establishing your credibility quickly As Supervisor Computer Operations with the team?

**Answer:-**

Fully understand my responsibilities, work hard and exceed expectations, learn as much as possible, help others as much as possible, understand what my teammates' goals and needs are, be on time, and gain a mentor.

[Read More Answers.](#)

**Question # 68**

How long will it take for you to make a significant contribution?

**Answer:-**

First define significant contribution - once you do that - lay out a timeline plan in which you think you can achieve that.

[Read More Answers.](#)

**Question # 69**

What do you know about this department?

**Answer:-**

One good way to find out about the department is to try to "informally" interview the existing employees over coffee (outside of the office) if possible. It's hard if you don't have any connections there, but if you do a great way to learn about it. Other than that, it's often hard to learn about the department so you can turn the table back on them by asking questions to learn about it.

[Read More Answers.](#)

**Question # 70**

How do you decide what to delegate and to whom?

**Answer:-**

Identify the strengths of your team members and their availability based on the priorities they have on their plate. From there, invest the tasks upon each member based on where you think you'll get the best return.

[Read More Answers.](#)

**Question # 73**

How much time do you need to join the organization As Supervisor Computer Operations?

**Answer:-**

You should be able to join it right away, barring plans you've already made (family travel, vacation, other obligations). The key is to simply be open in communication of what's already committed on your schedule. Most companies are accommodating. If they are not, weight the importance of joining that company vs. your plans.

**Question # 74**

In what areas do you think you will need guidance?

**Answer:-**

Think about what you need to learn going into the job. Skill sets, industry knowledge, relationship building, team dynamics. Which areas are ones you're lacking?

**Question # 77**

How do you handle repetitive tasks?

**Answer:-**

Some people enjoy it, others don't. Which are you? If you don't like it, can you at least do it well? And if you don't like it, be ready to explain why in a positive way (i.e. your potential is to do much more than simply be repetitive)

**Question # 78**

Tell me about the last time you missed a goal or deadline?

**Answer:-**

Unless you're a completely perfect person, chances are you've messed up before on a goal/deadline. If so, discuss how you fell short and what you would have done in retrospect to achieve it.

**Question # 79**

When was the last time something upset you at work? What did you do?

**Answer:-**

Almost everyone has an emotional moment related to work at some point - you're not alone. The key is to learn why you reacted that way and to focus not on the problem but HOW to resolve it. Another key component is to be aware of your emotional response so that you can learn to control it in the future in a calm way.

**Question # 80**

What was the biggest professional risk you have taken and what was the outcome?

**Answer:-**

First discuss how you weighed the pros and cons of the risk and the results you'd believe you could achieve. Then discuss the action plan you put into place for it and outline that step by step. Then discuss the outcome and if it wasn't optimal talk about what you would do differently in hindsight.
