## VDart Job Interview Preparation Guide.

### Question # 1

Explain what are your weaknesses In VDart?

#### Answer:-

Red flags: This is the peanut butter to the previous question's jelly. Also, of course, candidates crazy enough to blurt out some horrible personality trait should go in the red flagged pile.

Good answer: Candidates should talk about a real weakness they've been working on improving. For instance, they're not good at public speaking, but they've been taking a course to help them improve. Or maybe they feel that they're easily distracted when working online, but have installed software that helps them stay on task. Answers like these show a desire for improvement, self awareness and discipline.
