**Answer:-**

there is no restriction for your to travel on B2 mostly but don't assume you will get 3months initially because its the one who decides at the port of entry. How to apply for the second interview once we where rejected the b1/b2 visa?

**Answer:-**

it is healthy to reapply for b1/b2 visa quiet after 6months after your visa rejected and there is no such limitations that you can't reapply. b1/b2 is the easiest usa visa one can obtain and in such your cases fails means then you have to double check your supportive docs and more over you should do your interview proper.

if you are applying for business visit then behave like a business man in the interview and not just like a candidate!!
